

## Governing Body Register of Interests 2019/2020

The governing body and school staff have a responsibility to avoid any conflict between business and personal interests and the interests of the school. To help put this duty into practice and to meet legal requirements, all maintained schools maintain a register of interests. The register will ensure that governors' and Associate Members personal interests do not unfairly prejudice, influence or conflict with school's decision-making processes.

Name	Governor/Associate Member	Business Interests declared	Governorships elsewhere declared	Relationship with members of staff and their relatives declared	Date form completed
