## We will discuss:

- Year 2 in 2020
- Changes this year
- Curriculum
- Homework
- Communication
- Questions

# Year 2 in 2020

We are in a year group bubble

# Changes...

Each child has own set of resources and books on their table.

Bring water bottles to school on Monday and take home on a Friday.

Windows open at **all times** for optimum ventilation. **BRING A JUMPER!**

# Changes...

Minimising what can be brought to and from school. (No phones, scooters, books, homework projects)

Designated toilets for different year groups.

Frequently encouraging respiratory hygiene, hand washing and sanitizing.

Well-being: post box on the wellbeing shed for children to use

# PE days and kit

Year 2 have PE on the following days:

- Riley - Monday & Thursday
- Brown - Monday & Wednesday
- Hepworth - Wednesday & Friday

Please ensure that your child comes to school wearing their PE kit on these days.

*Most lessons will be outside*

# Help us keep safe and OPEN!

HIGH  
TEMPERATURE

## Reading, Writing & SPAG

### Daily Supported Reading

#### Daily Supported Reading

- Adult talking about the book before they read it
- Children talking about the book before they read it
- Adult reading, children reading, children re-reading
- Children asking questions about the book; children and adults discussing the book
- Children reading 'real books', discussing spellings and vocabulary

# Maths -Overview of the Year

## Year 2

Click into the relevant block below to access the resources

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12
Autumn	Number: Place Value			Number: Addition and Subtraction				Measurement: Money	Number: Multiplication and Division	Consolidation		
Spring	Number: Multiplication and Division				Statistics	Geometry: Properties of Shape	Number: Fractions					
Summer	Measurement: Length and Height	Geometry: Position and Direction		Consolidation and problem solving		Measurement: Time	Measurement: Mass, Capacity and Temperature				Consolidation	

## Overview

### Small Steps

- Counting forwards and backwards within 20 R
- Tens and ones within 20 R
- Counting forwards and backwards within 50 R
- Tens and ones within 50 R
- Compare numbers within 50 R
- Count objects to 100 and read and write numbers in numerals and words
- Represent numbers to 100
- Tens and ones with a part-whole model
- Tens and ones using addition
- Use a place value chart
- Compare objects
- Compare numbers
- Order objects and numbers

### Notes for 2020/21

It is important to spend time early on recapping numbers within 20 and 50 before moving onto numbers to 100.

Many children will need this recap as they may not be secure in their understanding of tens and ones from Y1, even though they may have met it.

# Year 2 Homework

Homework projects sent at the beginning of each term to be completed by the end of each term.

## The Land of Diversity

We have been learning about the many different landscapes that can be found on the huge continent of Africa.

Create a picture or model of an African scene. Think about what we have learnt in class and/or do your own research.

Remember to think about desert, rainforest, savannah etc.

## Budding Designers

Design and create an African mask, an African instrument, or your own African fabric. You could use paper plates and string to make your mask, or a pringles tube or flower pot to make a drum.

## Game Master

Create your own game with an African theme. It could be a maths game, a board game or a card game like Top Trumps of African animals.

## Marvellous Mathematicians

Don't forget to use Maths Whizz regularly.

## The Storyteller:

Write your own story with an African theme. Make yourself the star by writing in the first person or create your own character and write in the third person. Think about the setting and characters to help fit with the African theme.

## Famous Africans:

Find out about a famous African person. Create a simple fact file about their life. Maybe you could act out their life story to the class.

## Country Challenge :

Can you draw the continent of Africa and name all the countries? It's a BIG challenge.

How many could you name on a blank map in class?

## Mega Country Challenge :

Create an Africa jigsaw puzzle with all the countries in Africa.

*Remember that projects won't be allowed to be brought in this term. Please send a photo instead.*

**Millfields Musical Magnificence**

It has been another busy week at Millfields, especially for all our cycling community! Lots of the Year 5 children have been taking part in Bikeability lessons — learning how to have a road-worthy bike and how to ride safely on the roads. Well done to all the children who successfully completed the course. Yesterday, 36 of the Year 5 children also took part in Bike Around the Borough — an event that takes place every year! Hundreds of Hackney school children take to the roads for a mass ride around the borough, organised by the Council to provide a chance for students to practice the skills they've learned through national standards cycle training and to help them see how easy it is to travel around Hackney by bike. The riders started at Hackney Downs, travelling from there to Clissold Park, before heading on to London Fields, past Hackney Town Hall and back to Hackney Downs. Then today, many of our Cycling Team have taken part in a sponsored cycle ride — they did the last 10 miles of a 50 mile ride and have so far raised an amazing £1,750. Thanks to all the families and friends who have donated. They had beautiful weather today and cycled up the towpath to Ware. They hope to reach their target of £1550 by the end of today in order to raise money for World Bicycle Relief that will provide 20 bikes for children to ride to school in poorer countries across the world. If you can and would like to help, please click on the link: <https://www.godgung.com/Millfields50miles>. Thank you so much to parents, Paul and Nicky, who organised the whole thing and to all the parents and staff

#### Important Dates

**Summer Fair**

### Latest News

#### Message from Headteacher

Fri 11 Sep 2020

We have made it to the end of the first full week with the 'new normal' rules and routines! After the first few days of getting used to the new start times, new entrances and the rules of frequent hand-washing and/or sanitising, social distancing, lunches in halls one week and classes the next, using different designated toilets, using different parts of the playgrounds and designated equipment, as well as only working with the same staff that are allocated to the
