

A photograph of two young boys in school uniforms. The boy on the left is a Black boy with short dark hair, and the boy on the right is a white boy with light brown hair. They are both looking intently at a laptop screen. The boy on the right has his hand on the keyboard. The background is blurred, showing other people in a classroom or school setting. A large, stylized white and grey arrow shape points downwards from the top right towards the bottom left, framing the text.

Find your local schools

Use the map at the back of this guide or you can find schools near your home online at map.lgfl.org.uk/eAdmissions/

Open events are listed on pages 10 and 11.

Decide the order of your preferences

You should list more than one school (maximum 6). Listing only one school does not mean you will be offered a place.

The order is important. List your favourite school as the first preference, then your next favourite school as your second preference and so on. Listing a school as your first preference does not increase your chance of being offered a place.

Each school is given equal consideration regardless of where you list it in your preferences. The order of your preferences will only be considered if your child qualifies to be offered more than one place.

Hackney Education is the department within Hackney Council that is responsible for Hackney's children's centres, schools and early years and adult education. Our vision is to provide excellent education for every child, young person and adult learner.

WELCOME

On behalf of the Headteachers, teachers and support staff, we would like to welcome you.

Choosing the next step in your child's education is a huge responsibility for any family. It is important that you examine your preferred schools carefully and consider their admissions criteria in order to make the right choice for your child. We're pleased that you, like so many other local parents/carers, have made Hackney schools your preferred choice.

We have excellent schools in Hackney offering a rich curriculum and strong attention to personal development: 95% of secondary children are in schools rated as good or outstanding by Ofsted. Hackney schools, collectively, are in the top quarter nationally on all of the main key secondary school measures, including Progress 8 and Attainment 8 (measures of how well our pupils do in eight GCSEs including core subjects).

Hackney Education is committed to supporting the best possible education for our young people. We work closely with schools to ensure they keep improving and that they give all children the best possible start in life. Whichever school your child moves on to, they are guaranteed excellent opportunities.

As your child makes the step from primary to secondary school, we want you to continue to be involved in encouraging their learning and maintaining excellent levels of work, motivation and behaviour.

We wish you and all pupils starting secondary school in Hackney the very best for the future.

CHILDREN WITH SPECIAL NEEDS WHO HAVE AN EDUCATION, HEALTH AND CARE PLAN

There is a separate admission process for pupils who have or are due to be issued with an Education, Health and Care Plan before September 2021. If your child has a plan or, having gone through an EHC needs assessment, has been issued with a draft plan by 23 October 2020 then you should **not** apply through the general admission process. You will get a separate application form to complete from the Education, Health and Care Planning (EHCP) team.

If your child has not received a draft EHC plan by 23 October 2020 please use the process outlined in this guide.

Visit www.hackneylocaloffer.co.uk/secondarysend for more information or call **020 8820 7000** Option 4.

WHAT DOCUMENTS DO I NEED TO SEND WITH MY APPLICATION?

You do not need to send any additional documents with your application. To confirm your address we will check your details against council tax and other council records. If it is not possible to confirm your address we will contact you directly to request further evidence.

If you have changed address in the last year and the school you wish to apply for is oversubscribed, you may be asked to complete a questionnaire to prove that you live permanently at your current address. Failure to provide proof of your child's address, if requested, may cause delays in processing your application. More information about address checks and fraudulent applications is available online at education.hackney.gov.uk/secondaryaddress

BANDING AND COGNITIVE ABILITY TESTS (CAT)

Most Hackney secondary schools use a process of banding to ensure they admit a wide range of children of different abilities. Every child who applies must sit a cognitive ability test (CAT) and the results are used to group applications into different ability bands.

If your child attends a Hackney primary school (in Year 6) they will take the CAT at their school during **September/October 2020**. The school will arrange the testing and advise you in advance.

If your child attends a school outside Hackney and you apply for a school that uses banding your child will be invited to sit the CAT at a Hackney secondary school on **Saturday 21 November or Saturday 28 November 2020**. We will contact you via email in November 2020 to tell you the date and venue for your child's test. The session will last about three hours.

 More information about CAT is available online at education.hackney.gov.uk/cat

IMPORTANT

There are no alternative test dates and it is your responsibility to make sure your child is available to take the test on your allocated date. Failure to take the test will result in your application being placed at the bottom of the list behind all applicants who have taken the test for that school.

HOME ADDRESS

Your child's home address is the address where they are living on the closing date, **31 October 2020**. Where parental responsibilities are equally shared, we will consider the home address to be the place where your child sleeps and spends most of their time, from Monday to Friday. This is the address that will be used to process your application and calculate home-to-school distance or confirm a sibling attending the

school. If you're not sure what address to use you should seek advice before submitting your application.

 More information is available online at education.hackney.gov.uk/secondaryaddress

PRIORITY APPLICATIONS

Some applicants have higher priority for places according to the admissions criteria of the school. Common priority criteria are outlined below. You should read the admission criteria for your preferred schools online at education.hackney.gov.uk/secondarieschools

Looked after children/previously looked after children

If you are completing the application for a looked after child or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements or special guardianship order please tell us on the application form. You must name the council who looks after the child (or previously looked after the child) and provide a letter from the social worker to confirm this. In addition, if the child was adopted or became subject to a child arrangements or special guardianship order you must also provide a copy of the child arrangements order, special guardianship order or proof of adoption from the relevant local authority.

Children with a Child Protection Plan

If you are completing the application for a child that is the subject of a Child Protection Plan you must tell us directly by emailing secondary.transfer@hackney.gov.uk

Children with exceptional medical or social needs

Some schools and academies give priority to children who have an exceptional need to attend a specific school on medical or social grounds. If this is the case with your child you must tick the appropriate box on the online form and provide independent, professional evidence explaining why your child can only attend a particular school. Your own medical needs cannot justify a place at a particular school but your child could have a social need arising from your medical needs.

In every case you must provide detailed evidence from a GP, hospital consultant, social worker or any other agency or professional involved with your case. The evidence must be specifically about your child's medical/social condition, the effects of the condition and why, in view of this, your child needs to attend a particular school. The evidence should demonstrate detailed knowledge of the school in terms of resources and organisation which demonstrate that your child can only be admitted to the specific school and why no other school is suitable.

It is your responsibility to provide evidence to support your claim and this should be submitted with your application by the statutory closing date, **31 October 2020**. It may not be possible to consider evidence received after this date for National Offer Day (1 March 2021) but it will be considered for offers made after this date. If you tick the box on the application form but do not submit evidence your application will not be considered under this criterion and you will not be reminded to submit evidence.

Sisters and brothers (siblings)

Your child will have higher priority if they have an older brother or sister at the school you are applying for. The older child must still be at the school when the younger child starts. You must tell us on the application form by ticking the box and giving the older child's name and date of birth. If your child has more than one brother or sister at the school please provide the details of the youngest brother or sister. If you do not provide this information you may not be given the sibling priority.

Children of staff

Some schools give priority to children of staff working in their school. If you work at a school you are applying for you must indicate this on the application form.

ADMISSION TO YESODEY HATORAH SENIOR GIRLS SCHOOL

Yesodey Hatorah Senior Girls School changed in 2019 to offer places to pupils from Year 5 to 11 making the normal point of entry Year 5.

There is a separate admissions process for the school and further information and application forms are available at education.hackney.gov.uk/yesodeyhatorah

BEFORE YOU APPLY...

Schools and Academies in Hackney are very popular and not all applicants can be offered a place. You should follow the advice below and think carefully about which schools you list on your application before you apply.

VISIT SCHOOLS

Where possible you should visit schools to get an idea of what they can offer. Details of the open events at Hackney secondary schools are on page 10 and 11 of this guide. Due to COVID19 restrictions please contact schools to arrange and confirm your visit in advance.

ARE YOUR PREFERENCES REALISTIC?

Consider how likely it is that your child will be offered a place at your preferred schools.

Read the admissions criteria for each school and figure out which criteria apply to your child. If you list a school as a preference on your application you should read the full admissions policy which is available online at education.hackney.gov.uk/secondaryschools or on the school's website.

If you are unsure whether you will qualify for a place you can call the admissions team for impartial advice on **020 8820 7000**.

DO YOU LIVE CLOSE ENOUGH TO GET A PLACE?

Some schools use home-to-school distance as part of their admission arrangements. You can find out the approximate distance to your preferred schools using the GOV.UK schools finder online at www.gov.uk/find-school-in-england

The distance from home to school of the last child offered a place at Hackney schools from previous years (i.e. the cut-off distance) is available online in the school directory at education.hackney.gov.uk/cutoffdistances

Remember that although this information can be used to give you an idea of how likely it is that you will be offered a place, the cut-off distance will change every year. We can never guarantee any child will be offered a place at any school.

Note that, in addition to distance, Mossbourne Community Academy and The Petchey Academy also include

an element of random allocation (a computerised lottery) to determine who gets a place.

HOW WILL YOUR CHILD TRAVEL TO SCHOOL?

Hackney has a great network of buses, London overground and rail links making it easy to get to any of our local schools. Children of secondary school age would generally be expected to travel to school independently using public transport. However a very long journey to school on public transport may not be the best choice for your child.

Due to COVID19 Transport for London (TfL) are considering removing free travel for some secondary aged children. At the time of publication this change had not been finalised. For the latest information please visit education.hackney.gov.uk/travel

RESEARCH SCHOOL PERFORMANCE AND INSPECTION OUTCOMES

All schools in Hackney are inspected regularly by Ofsted. You can access the latest Ofsted reports at education.hackney.gov.uk/secondaryschools Headteachers will be happy to talk to you about any part of the Ofsted report for their school.

You can get information about an individual school's performance results from the Department for Education (DfE) website at www.compare-school-performance.service.gov.uk

TALK TO YOUR CHILD AND OTHERS

What school does your child want to attend? Seek advice from teachers, other parents and the school admissions team. The school admissions team are hosting online information sessions that you can attend using your smartphone, tablet, laptop or desktop computer. Visit education.hackney.gov.uk/secondarybriefings for more information.

MYTH BUSTERS – GET THE FACTS!

It is easy to make assumptions about how school admissions works. Here are some of the common assumptions and misunderstandings as well as the facts.

My child has a right to a place at one of my preferred schools.

Not true! ...your child will only be offered a place if they qualify according to the school's admission criteria. If your child does not qualify for any of your preferred schools (e.g. because your preferences were unrealistic) they will be offered a place at the nearest school to your home with a vacancy remaining after all on-time applicants have been offered places.

I don't need to apply because I have an older child already at the school.

Not true! ...everyone must apply for their child even if they have a brother or sister already at the school. Most schools give priority to brothers and sisters but if you don't apply you could miss out on a place.

If I list only one school then I have to be offered a place.

Not true! ...listing only one school does not increase your child's chances of being offered a place. You are strongly advised to include your nearest schools amongst your preferences.

I live nearer to the school than the last child offered under the distance criterion last year so I'm guaranteed a place.

Not true! ...the home-to-school distance of the last child offered a place will change every year. The information about offers for each school in previous years is available online at [education.hackney.gov.uk/cutoffdistances](https://www.education.hackney.gov.uk/cutoffdistances)
This information is a guide only and no child is guaranteed a place at any school.

Children in my road go to the school so my child will too.

Not always ...the number of pupils offered under each criterion at each school can change every year. Just because you know pupils living near you that go to a certain school, it does not mean that your child will be offered a place there.

If I apply to a school in another borough, their residents will have priority over me.

Not true! ...an admissions authority cannot give preference to its own residents and published admissions criteria cannot include the borough of residence. Hackney schools do not discriminate between applicants who live in the borough and those who do not.

It does not matter if my application is late.

It matters! ...If you apply after 31 October 2020, we will look at your application after all those that applied on time have been processed. In this case it is very unlikely that you will be offered a place at a popular school.

I can only apply for Hackney schools.

Not true! ...you can apply for both Hackney and out of borough schools by listing them on the Hackney application form.
