

## Governing Body Declaration of Interests 2021/22

The governing body and school staff have a responsibility to avoid any conflict between business and personal interests and the interests of the school. To help put this duty into practice and to meet legal requirements, all maintained schools maintain a register of interests. The register will ensure that governors' and Associate Members personal interests do not unfairly prejudice, influence or conflict with school's decision-making processes.

Name	Governor /Associate Member	Do you have an interest in a company or organisation that could benefit from your involvement with the school? This could be through voluntary work, employment, shares, directorship or trusteeship?	Do you have a financial interest in any contract the school holds or proposes to enter into?	Are you a governor/ trustee/ board member or have a governance role in any other organisation?	Relationship with members of staff and their relatives declared	Do any of your children or close relatives attend school?	Does your spouse/ partner or any close relative have an interest in a company or organisation that could benefit from your involvement with the school? I.e. through voluntary work, employment, shares, directorship or trusteeship?	Do you have any outside interests not already covered above that could be in conflict with your position with Millfields Community School?	Date form completed
