

Summer Term 2022

Dear Parents and Carers,
Welcome back!

Please read on for some important dates and information about your child's learning this term. On the next page you will see an outline of the learning that the classes will be covering in the Summer Term.

Core Subjects Overview

In **Maths** we will be learning about multiplication and division and fractions in the first half term. In the second half term we will learn about position and direction, place value, money and time. In **English**, we will learn the skills needed to help us write poems, newspaper reports, diary entries and information texts. In **Science**, we will have an extended topic about plants.

Our PE days

Tarrant Wednesday and Thursday
Whiteread Tuesday and Thursday
Lowry Monday and Thursday

Please ensure that your child comes to school wearing their PE kit on PE days (*white t-shirt and navy shorts/ tracksuit bottoms and trainers*). Please bear in mind that most PE sessions will be outside.

Sharing Assemblies

Lowry Friday 29th April 2022
Whiteread Friday 20th May 2022
Tarrant *Autumn and Spring term*

Homework

Homework has already been set for this half term. All children are to focus on at least one set 2 or 3 phonic sound each week and read and write the words that go with each sound. There will be a phonics screening in June so please encourage and support your child with their phonics learning. **Book bags** will be sent out on Tuesday day and need to be returned on the following Tuesday. As well as this, please remember to use Maths Whizz each week. At the beginning of each term, a **homework project** will be set to be completed by the end of that term. This term our project is on our history topic 'The Great Fire of London'. We will be sending details shortly.

Term dates

We break up for half term at 2:15pm on Friday 27th May. Children return to school on Monday 6th June. We break up for the summer holiday at 2pm on Wednesday 20th July.

Communication

The Millfields Mag is sent out via email each Friday and will be on your Google Classroom. Try to read it with your child so that you can keep up to date with what is happening at school. Please also keep up to date with your child's Google Classroom, as this is where your child will receive positive behaviour management rewards as well as other notices, reminders and homework. If you download the app and are signed in using your child's account, you can receive notifications to remind you when things are added.

If you have any questions about your child's learning or any aspect of school life, please e-mail info@millfields.hackney.sch.uk and your child's class teacher will be alerted. We are really looking forward to a positive term.

Kind Regards

Angela Kelly, Joy Sleeman and Kimberlie Blaney

The Great Fire of London

What was the Great Fire of London and what consequences did it have?

Science

Plants

Growing plants and how to look after them.
