

Summer Term 2022

Dear Parents and Carers,
Welcome back!

Please read on for some important dates and information about your child's learning this term. On the next page you will see an outline of the learning that the classes will be covering in the Summer Term.

Core Subjects Overview

In **Maths** we will be learning about fractions, time, length and height for the first half term. In the second half term we will learn about position and direction, mass, temperature and capacity. We will continue to learn and revise the 2, 5 and 10 times tables. In **English**, we will learn the skills needed to help us write adventure stories, writing instructions and descriptive recounts. In **Science**, we will have an extended topic about plants and a shorter project linked to climate change.

Our PE days are:

Riley	Monday and Friday
Hepworth	Monday and Friday
Brown	Monday and Thursday

Please ensure that your child comes to school wearing their PE kit on PE days (*white t-shirt and navy shorts/ tracksuit bottoms and trainers*). Please bear in mind that most PE sessions will be outside.

Homework

Homework will be sent via Google Classroom each **Friday** and needs to be completed by the following Friday, each week. This will include spellings, Maths Whizz and times tables practice. At the beginning of each term, a **homework project** will be set to be completed by the end of that term. This term our project is on our geography topic 'Navigate This'. We will be sending details shortly. **Book bags** will be sent out on Tuesdays and need to be returned on the following Monday.

Sharing Assembly

Brown	Friday 10 th June
Hepworth	Friday 24 th June
Riley	Friday 1 st July

Term dates:

We break up for half term at 2:15pm on Friday 27th May. Children return to school on Monday 6th June. We break up for the summer holiday at 2pm on Wednesday 20th July.

Communication:

The Millfields Mag is sent via email and text each Friday and can also be found on Google Classroom. Try to read it with your child so that you can keep up to date with what is happening at school. Please also keep up to date with your child's Google Classroom, as this is where your child will receive positive behaviour management rewards as well as other notices, reminders and homework. If you download the app, and are signed in using your child's account, you can receive notifications to remind you when updates are added.

If you have any questions about your child's learning or any aspect of school life, please e-mail info@millfields.hackney.sch.uk and your child's class teacher will be alerted. We are really looking forward to a positive term ahead.

Kind Regards,

Ashraf Mohi
Riley Class Teacher

Jess Jackson-Virk
Hepworth Class Teacher

Mia Magarian
Brown Class Teacher

Navigate This!

How can we use maps to find out about places near and far?

WOW Trip: Hampstead Heath

Science

Plants

Function of parts, requirements for life and growth, pollination, seed dispersal

Climate Change Project

Geography

Skills and fieldwork

Sketch maps, plan perspectives, compass directions, devising a map with symbols and a key. School grounds fieldwork.

Computing

E-Safety

Privacy & Security

Developing Coding

Turtle Logo & Scratch

Art

Sculpture

Making natural sculptures
