What a Millfields Week!

We have had another busy week in school, as the children have been very busy completing end of year assessments in reading and Maths, and the teachers have finished writing the Annual Reports, and the leadership team are now reading them. Some of the anecdotes and comments from the year have made me so proud and very sentimental as we come to the end of another academic year. We have also been finalising the Y6 Leavers Book, and again there are so many memories and

special moments to remember. I know that lots of children (and parents) have been asking about the teachers for the next year -they will find out on Transition Day that is Wednesday 12th July. Also excitingly, our class names will be changing next year!

Y2 visited Southend beach on Monday and had a fantastic time playing on the beach, playing games and going in the water. Thanks to the staff and parents who accompanied the children who really enjoyed the whole trip and getting there on a train! Also this week, Y6 classes visited the Ben Kinsella Foundation as part of their transitions preparation for moving onto secondary school. The workshops educate young people on the dangers of knife crime and help them to make positive choices to stay safe. The workshops follow the journey of both the victim and the offender through a series of unique and immersive experiences to show young people how choices and consequences are intrinsically linked. For more information see here:

<https://benkinsella.org.uk/>

This week has been the Hackney Music Festival which is a celebration of all the amazing talent from schools across Hackney that culminates in performances every day at the Round Chapel. On Tuesday, some of our rock bands took to the stage and wowed the audience with their professionalism and talent. Thanks to Tom for getting the bands ready to rock! Then on Wednesday, the KS1 and KS2 choirs took part in the Schools' Singing Festival! A few schools dropped out of the KS2 choirs at the last minute, so Millfields were invited to take more children along, as we have so many talented and enthusiastic singers! Lots of parents attended to enjoy the beautiful singing. Thanks to Roz for teaching the songs and for making the Millfields children shine!

Today, Y6 children took part in a cross Hackney Basketball Competition - we mostly hope that they had a good time, but will obviously find out how they did later and let you know next week!

Next week is Democracy Week, when all the children will be hearing about school, local and global issues that we will take on next year through electing our new Prime Minister! Today, each class has been learning a bit about what democracy means and then electing their party MCs (Members of Class) ready for the battle for Prime Minister and Deputy, and members of Cabinet for Millfields, to start within the 5 parties across the school from Y1-Y6. All the children will be involved in lots of activities next week including a Q&A session, and a hustings before voting to elect the new Millfields' Prime Minister! Watch out for texts and emails, including our student newspaper, next week to keep up with all the news and gossip about the candidates!

Finally, there does seem to be a lot of different illnesses around at the moment. Please continue to let the school know if your child is unwell in any way, and remember that you must complete an absence request form if your child needs a day off school for any other reason.

REMINDERS:

*Summer Fair is Saturday 8th July

*School finishes on Friday 21st July at 2:15pm/2:30pm. There are no After-school Clubs that day. Have a good weekend, take care, keep well and stay safe everyone. Best Wishes, Jane
