# Year 2 Curriculum

Africa Uncovered	Changing the World - History	Navigate This - Geography
 <p><i>Understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country</i></p>	 <p><i>The lives of significant individuals in the past who have contributed to national and international achievements.</i></p>	 <p>Use compass directions and locational and directional language to describe the location of features and routes. Use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features. Devise a simple map; and use and construct basic symbols in a key.</p>

# Autumn Term

Africa

## Science

### All living things and their habitats

Things that are living, dead and never alive. Name a variety of plants and animals in their habitats, including Micro-habitats.

## Geography

Understand geographical similarities and Differences: The UK and a contrasting setting

## Computing

Computer science:  
Debugging (Bee bots-Turtle Logo)

## Art

Printing and weaving

### Key artist

Esther Mahlangu

Nike Davies-Okundaye

## PE and Games

Fitness & Fundamentals  
Ball Skills & Dance

## RE

### Hinduism

What do Hindus believe?

### Judaism

What values does Hanukkah teach?

## DT

### Textiles:

Design & Make an African Mask

## PSHE and Citizenship

Class Charter, Health & Wellbeing, Relationships, Living in the wider world

## Music

Duration – Some sounds are...  
Charanga – Hands Feet and Heart  
Winter Concert

## Spanish

Balanced Diet: fruits I like  
Pets I have/ like  
Introducing myself (name, age and where I live)  
Maths in Spanish (adding basic numbers)

# English

# Reading, Writing & SPAG

Set 1 Sounds

Set 2 Sounds

Set 3 Sounds

Read Write Inc. Stage I CAN...	Reading book band Colour WE CAN...
Learning individual sounds and building words	Lilac
	Pink
Ditty stage - reading a few words together	Red
Green Stage	Yellow
Purple Stage	Blue
Pink Stage	Green
Orange Stage	Orange
Yellow Stage	Turquoise
Blue Stage	Purple
Grey Stage	Gold
Comprehension Activities (no longer on Read Write Inc 'I Can...' books)	White
	Black

Summer term	<b>Fractions</b> Number VIEW			<b>Time</b> Measurement VIEW		<b>Statistics</b> VIEW		<b>Position and direction</b> Geometry VIEW		Consolidation		

# Maths

Step 1

Numbers to 20

Step 2

Count objects to 100 by making 10s

Step 3

Recognise tens and ones

Step 4

Use a place value chart

Step 5

Partition numbers to 100

Step 6

Write numbers to 100 in words

Step 7

Flexibly partition numbers to 100

Step 8

Write numbers to 100 in expanded form

# Year 2 Homework

Google Classroom

## Reading

## Spelling

Year 2			
door	gold	plant	clothes

most	past	would	even
only	father	who	
both	class	whole	
old	grass	any	
cold	pass	many	

## Maths 1 minute maths app

# Year 2 Homework

Homework projects sent at the beginning of each term to be completed by the end of each term.

## The Land of Diversity

We have been learning about the many different landscapes that can be found on the huge continent of Africa.

Create a picture or model of an African scene. Think about what we have learnt in class and/or do your own research.

Remember to think about desert, rainforest, savannah etc.

## Budding Designers

Design and create an African mask, an African instrument, or your own African fabric. You could use paper plates and string to make your mask, or a pringles tube or flower pot to make a drum.

## The Storyteller:

Write your own story with an African theme. Make yourself the star by writing in the first person or create your own character and write in the third person. Think about the setting and characters to help fit with the African theme.

## Famous Africans:

Find out about a famous African person. Create a simple fact file about their life. Maybe you could act out their life story to the class.

## Country Challenge :

Can you draw the continent of Africa and name all the countries? It's a **BIG** challenge.

How many could you name on a blank map in class?

## Mega Country Challenge :

Create an Africa jigsaw puzzle with all the countries in Africa.

# Communication

**Millfields Musical Magnificence**

It has been another busy week at Millfields, especially for all our cycling community! Lots of the Year 5 children have been taking part in Bikeability lessons — learning how to have a road-worthy bike and how to ride safely on the roads. Well done to all the children who successfully completed the course. Yesterday, 36 of the Year 5 children also took part in Bike Around the Borough — an event that takes place every year! Hundreds of Hackney school children take to the roads for a mass ride around the borough, organised by the Council to provide a chance for students to practice the skills they've learned through national standards cycle training and to help them see how easy it is to travel around Hackney by bike. The riders started at Hackney Downs, travelling from there to Clissold Park, before heading on to London Fields, past Hackney Town Hall and back to Hackney Downs. Then today, many of our Cycling Team have taken part in a sponsored cycle ride — they did the last 10 miles of a 50 mile ride and have so far raised an amazing £1,750. Thanks to all the families and friends who have donated. They had beautiful weather today and cycled up the towpath to Ware. They hope to reach their target of £1550 by the end of today in order to raise money for World Bicycle Relief that will provide 20 bikes for children to ride to school in poorer countries across the world. If you can and would like to help, please click on the link: <https://www.godgiving.com/Millfields50miles>. Thank you so much to parents, Paul and Nicky, who organised the whole thing and to all the parents and staff

**Important Dates**

Summer Fair  
 Saturday 29th June  
 Sports Week  
 1st—5th July  
 Safety Awareness Week  
 8th—12th July  
 London Day  
 18th July  
 First day of Autumn Term  
 Weds 4th September

**Attendance**  
**Week beg: 17th June**  
 Our school target: 96.5%  
 Last week: 95.1 %  
 Winning classes:  
 KS1 Brown (98.3%)  
 KS2 Macintosh (99.1%)  
**Well done!**

## Welcome to Millfields Community School

### Latest News

#### Message from Headteacher Fri 10 Sep 2021

Welcome back to everyone at Millfields — pupils, parents/carers and staff. I hope you have had a good summer break, and enjoyed time with friends and family, and that you are now back in the school routines.

A special welcome to all our new Nursery and Reception class children and parents/carers and other newstarters throughout the school. I know it may seem a bit daunting for the children (and you!) but they will soon settle and get the hang of all the school routines. Welcome also to all our new staff; Claire, Hizza, Orla, Marie and Sheila, and welcome back to Clara who has been on maternity leave.

Also, congratulations to Blaithin on the birth of her baby boy, Rory, and to Rosie on the birth of her baby boy, Otto. Both mums and babies are doing really well.
