

Autumn Term 2022

Dear Parents and Carers,

Welcome to the new school year!

Please read on for some important dates and information about your child's learning this term. On the next page you will see an outline of the learning that the classes will be covering in the Autumn Term.

Meet the Teacher

There will be an opportunity for you to meet your child's teacher in school on Wednesday 14th September at 3pm.

Core Subjects Overview

In **Maths** we will be learning about place value in 3-digit numbers, strategies for addition and subtraction within 1000, and multiplication and division including the 3, 4 and 8 times tables. In **English**, we will learn the skills needed to help us write diary entries, newspaper reports, letters, biographies and poetry. In **Science**, our topic for the first half term is Light and for the second half term is Animals including humans.

PE Times

PE for all three classes will be on Monday and Tuesday. Your child should come to school wearing their PE kit (white top, navy bottoms and black trainers) on PE days and bear in mind that many of our PE sessions will be outdoors.

Homework and Reading

All children should have a book bag. Reading books are changed by our librarian on **Wednesdays** so please make sure books are returned by Wednesday morning each week. Homework will be sent via Google Classroom each **Friday**. This will include spellings, Times Tables Rock Stars and times tables practice. We will have an informal, low stakes spelling and times tables check in class each week so please encourage your child to practise at home. Children will also receive a project linked to their topic each term. We appreciate your support in encouraging your child to read regularly and complete their homework.
