## Another Busy Week at Millfields!

The children have all been working hard and been very busy as usual in class and around school and the wider community.

Year 6 are learning about the Victorians, and Orinoco Class led the way for this term's Sharing Assemblies by sharing their work and information learnt so far about the Victorians, and what it was like to be a child in Victorian times! The

children concluded that they would rather be at school learning and having fun with their friends than working as a child in Victorian times. Orinoco Class visited the Ragged School Museum in Tower Hamlets and spent the afternoon putting themselves in the shoes of a Victorian child - they were happy that it wasn't real and didn't have to wear a dunce's hat in class if they didn't know the answer! Luckily, at Millfields, we love the children to ask questions and share their opinions! Also, this week, Y6 Yukon Class visited the London Buddhist Centre as part of their RE work on Buddhism.

As part of their History work this term: 'Time machines', Y1 classes visited Bruce Castle Museum and took part in a toys workshop about toys past and present. They were able to handle the toys and ask questions and really enjoyed looking at old toys and thinking about the toys of the future too. The children learnt lots that will feed back into their history learning in school. On Tuesday, Reception classes visited the Science Museum to look at the space exhibits and the rockets as part of their work in class on space! They had a lovely time, and enjoyed the journey there on the tube too! Y3 Classes visited the Hackney School of Food to make bread and vegetable soup. They learnt lots of kitchen skills and loved working together and to make and then eat their finished product!

Y2 classes enjoyed an in-school drama performance, and story-telling workshop from the Freshwater Theatre Company as part of their Geography work on Africa. They had great fun taking part in the warm-up activities and sharing ideas and vocabulary with the facilitator. All of this learning will help when they are back in class.

Sports events and competitions started again this week. The Y5 and Y6 boys and girls cycling teams took part in the Roller Bike event - the 4th event of the Hackney League. They were again brilliant, and the points they accumulated keeps us top of the league! Well done to all the children who took part and to Dudley for taking them. Also, next week, the boys and girls football teams are in action and hopefully, the cross country runners and LKS2 basketball teams.

Finally, as you will read later in the Mag, we will be holding a few coffee mornings/sharing sessions for parents of children with additional needs. Look out for more information coming your way very soon!

I hope you all have a good weekend. Take care, keep well and stay warm! Remember to get your thermals, hats, gloves and scarves out ready for the cold weather forecast next week! Best Wishes, Jane
