## Another Full Week at Millfields!

Firstly, well done to all the Year 6 children who completed their SATS this week. They all worked extremely hard over the year, as did all the staff who work in Y6 (and all the teachers and support staff who taught them through the school). All of the children did so well - they were focused after a school breakfast with their classmates, had a positive attitude and tried really hard. I was super impressed with the calmness and methodical way that the children approached the tests and was especially pleased to see that they had lots of

strategies to rely on in the Maths papers. Well done everyone! Again, nationally, it seems that the tests were considered to be difficult, so our children have done really well! Thank you also to the parents who made a contribution towards the park party and celebration. The children were very excited to spend some time in the park to unwind. Next week is the Y6 Residential so the majority of the year group will be enjoying camping and lots of outdoor activities. Those at school will also have lots of outdoor activities and trips to make the week a fun learning experience. We will continue with the curriculum after half term, as we still have a few more weeks of writing assignments that will count towards the end of Y6 assessment grades and moderation by the local authority. We are also excited to start working on the Y6 Show! The dates for the shows are in the last week of term in July: *Monday 15th - Yukon, Tuesday 16th - Orinoco & Wednesday 17th - Mississippi*. Y6 families - make sure the date is in your diary!

Also this week, Y3 visited the Natural History Museum on Monday to look at the exhibitions about volcanoes and the earth as part of their curriculum work. The children really enjoyed the opportunity and learnt lots to bring back to their learning in school. The ARP children visited Mudchute Farm and enjoyed seeing the animals but the best part was the bus journey! On Wednesday, some of our sporting Y1 and Y2 children took part in a cross-Hackney tennis tournament. Well done to Cayden, Tabitha, Lenny, Megan, Martha, Aida, Freddie and Yve, and thank you to Alisia and Tracey who supported the children on the day. Also this week, Y3 children took part in the termly 'Personal Best' programme with Young Hackney. We always look forward to seeing/reading the results and seeing the improvements over the year so please ask your child about this.

Well done to all the children who have been running before school every Tuesday and Thursday and running in their own time in preparation for the Hackney Run that is taking place tomorrow. Thank you to Ashraf, Jess and Theo for organising the running, and please look out for the email that will explain how to get your t-shirt and race number. It is always a great day out and Millfields is always very well-represented, and we usually have a couple of winning times, so good luck to all the runners! It would be great if you could come and support the children, and there are also lots of activities to enjoy on the day as well.

Also, we are preparing for 'Parents & Families Week' that is taking place during the first week after half term 3rd -7th June. There will be an email yesterday with details about all the exciting events that are taking place during that week including one of my favourite days of the year - 'bring your Pet to School Day'! I know that lots of the events are always booked up quickly, and we have tried to accommodate more parents/families this year, but please speak to or contact your child's class teacher and firstly let them know if you would like to read a story in class during that week!

Finally, a reminder that **FRIDAY 21st June is an INSET Day** so the school is closed to children. Also, after that weekend, **CLASS PHOTO DAY on Monday 24th June** - please make sure that your child is wearing their uniform and looks their best on that day - we will send reminders!

I hope you have a good weekend, and enjoy whatever you have planned.

Take care and stay well. Best Wishes, Jane
