# Year 2 Homework

To be completed by the end of each term.

Dear parents,

## Your project this term!

This term we are exploring **Africa!** We would like your child to choose at least one of the activities in this booklet to complete over the rest of the term. If they are feeling very creative, they can come up with their own activity linked to Africa.

The children will be asked to present their work to the class and to share what they have learned. Your child may also choose to include a labelled diagram or some writing about the task they have chosen.

## Objectives covered this term

### Geography – Human and Physical Features

- Name and locate the world's 7 continents and 5 oceans
- Understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country
- Use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features
- Use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied at this key stage.

## Home Learning Booklet

## Year 2 Autumn Term Africa Uncovered

Children will be invited to bring their project into school towards the end of term to share their learning.

### Millfields Musical Magnificence

It has been another busy week at Millfields, especially for all our cycling community! Lots of the Year 5 children have been taking part in Bikeability lessons — learning how to have a road-worthy bike and how to ride safely on the roads. Well done to all the children who successfully completed the course. Yesterday, 36 of the Year 5 children also took part in Bike Around the Borough — an event that takes place every year! Hundreds of Hackney school children take to the roads for a mass ride around the borough, organised by the Council to provide a chance for students to practice the skills they've learned through national standards cycle training and to help them see how easy it is to travel around Hackney by bike. The riders started at Hackney Downs, travelling from there to Clissold Park, before heading on to London Fields, past Hackney Town Hall and back to Hackney Downs. Then today, many of our Cycling Team have taken part in a sponsored cycle ride — they did the last 10 miles of a 50 mile ride and have so far raised an amazing £1,750. Thanks to all the families and friends who have donated. They had beautiful weather today and cycled up the towpath to Ware. They hope to reach their target of £1950 by the end of today in order to raise money for World Bicycle Relief that will provide 20 bikes for children to ride to school in poorer countries across the world. If you can and would like to help, please click on the link: <https://www.justgiving.com/Millfields50miles>. Thank you so much to parents, Paul and Nicky, who organised the whole thing and to all the parents and staff
