### Millfields Musical Magnificence

It has been another busy week at Millfields, especially for all our cycling community! Lots of the Year 5 children have been taking part in Bikeability lessons — learning how to have a road-worthy bike and how to ride safely on the roads. Well done to all the children who successfully completed the course. Yesterday, 36 of the Year 5 children also took part in Bike Around the Borough — an event that takes place every year! Hundreds of Hackney school children take to the roads for a mass ride around the borough, organised by the Council to provide a chance for students to practice the skills they've learned through national standards cycle training and to help them see how easy it is to travel around Hackney by bike. The riders started at Hackney Downs, travelling from there to Clissold Park, before heading on to London Fields, past Hackney Town Hall and back to Hackney Downs. Then today, many of our Cycling Team have taken part in a sponsored cycle ride — they did the last 10 miles of a 50 mile ride and have so far raised an amazing £1,750. Thanks to all the families and friends who have donated. They had beautiful weather today and cycled up the towpath to Ware. They hope to reach their target of £1950 by the end of today in order to raise money for World Bicycle Relief that will provide 20 bikes for children to ride to school in poorer countries across the world. If you can and would like to help, please click on the link: <https://www.justgiving.com/Millfields50miles>. Thank you so much to parents, Paul and Nicky, who organised the whole thing and to all the parents and staff

# Questions

# It's time for a Macmillan Coffee Morning

and you're invited

Let's do whatever it takes  
to support people living with cancer.

Do you have a child in  
Reception or Nursery?  
Please join us for our  
Welcome to Millfields  
Coffee morning in aid of  
Macmillan

If you can make a cake to  
help us raise money that  
would be great too!
