More Millfields Learning!

Firstly, 'Eid Mubarak' to all our Muslim families who are celebrating Eid Al-Adha today. I hope you all had a lovely day celebrating with your families.

This week, Y6 children have been camping! This year we visited a new site for Millfields, - Avon Tyrrell in the New Forest. They have had mixed weather - beautiful sunshine and torrential rain, but they were still smiling, laughing and enjoying the whole experience! They have had a fantastic week on the campsite, and took part in lots of outdoor activities including climbing, bushcraft, pioneering, archery, team challenges and a campfire. They also had the opportunity to take part in lots of water activities -paddle boarding, kayaking and raft-building. They have really enjoyed being with friends in a different setting and have embraced the whole experience. A huge 'THANK YOU' to all the staff - Debi, Jess, Leigh and Isabelle, and especially Sheyenne who organised the whole week! I think the children and staff will all be looking forward to a nice warm bed and a rest tonight!

Also this week, a group of 30 children from across Y5 took part in EarthFest 2025 that took place at the Aga Khan Centre. This educational event offered the children an opportunity to engage in interactive demonstrations, thought-provoking talks, and exciting workshops focusing on the environment and sustainability. The children had a wonderful day and of course were very vocal about the environment and our school's work on 'saving the planet'! Thanks to Naomi for organising and to Izaac and Dudley for helping out on the day.

Y3 classes visited the Natural History Museum as part of their work in school on volcanoes. They had a very busy day, as lots of other schools were also visiting, but they learnt lots and enjoyed their day out. Also this week, Mekong Class visited Bruce Castle Museum to take part in a workshop about Windrush. They were really interested and learnt lots to bring back to their work in school.

We had also planned for today to be the whole school 'Outdoor Day' for this term, however, due to Eid falling today, we have rescheduled it for next Friday 13th June so that everyone can take part. This is a morning where the whole school learns outside, so I'm hoping for sunny weather next week!

Finally, next week is "Bike Week" 2025, so we would like to encourage as many children as possible to cycle to school. All of the children in Y1-Y6 have all been talking about air pollution and more sustainable travel in assemblies this week, so they are keen to cycle, walk and scoot! We would also like you to make a BIG effort and create a BIG bike bus on Wednesday 11th June - meet at the main gates at 8:20am.

We have lots of other exciting events coming up this half term; it is Democracy Week (30th June - 4th July), and Sports Fortnight (7th - 18th July), and the Summer Fair is taking place on Saturday 12th July this year - save the date! Please get in touch with the PSA if you can help in any way at psamillfields@gmail.com. Also, a reminder that Friday 20th June is an INSET day, so the school will be closed to pupils.

I hope you have a great weekend with family and friends.
Fingers crossed for better weather! Best Wishes, Jane
