More Maths at Millfields

It seems to have been a very long week for us all. Following on from my earlier email to the school community, the confirmation of the school financial position means that we find ourselves at a point where changes must be made in order to future-proof the financial viability of the school, and therefore there is the need for an imminent re-structure. The falling rolls -fewer children of school age, the national education funding cuts, unfunded pay awards and the lack of SEND funding have all contributed to this over the last few years. This is and will continue to be a challenging time for us all, so thank you to those who have already contacted me with your understanding and support.

Nonetheless, the children in class and around school and the local community have of course continued to have enriching and enjoyable learning experiences this week.

Firstly, a massive congratulations to our girls football team - Rosie, Safi, Tianna, Mia, Iris B, Iris J, Rose and Alina who represented Millfields brilliantly and were almost the champions, until a late winner from the opposition snatched the gold medal from them! BUT a very worthy silver medal - well done girls! Thank you to Izaac and Sharon for their support! And thank you to Simon at Vitale Digital who bought and sponsored the lovely new football strips for both girls and boys! Massive Thank you!

Today was NSPCC Numbers day! THANK YOU to everyone for getting into the spirit and dressing up! There were some fabulous t-shirt designs, lots of dominoes and dice, as well as lots of home-made maths puzzles. Thank you also for the donations that will be sent directly to the NSPCC to support vital services like 'Speak out, Stay safe' and Childline. We have raised more than £400! The children have enjoyed a day of Maths puzzles, games and problems. Thank you to Emma for organising us all!

Also, we are all very excited for next week as it is 'Creative week'. The theme this year is 'Look Around' combined with the theme of this year's Children's Mental Health Day -'Know Yourself, Grow Yourself' when the children will think about the more we know ourselves, the more able we are to connect and form strong, healthy relationships, and the more we know ourselves and feel supported by our connections, the more able we are to cope with life's challenges.

The children in each year group will be focussing on one thing e.g. buildings in Reception, birds in Y2 or Transport in Y5. The children will then produce pieces of artwork based on their specific area throughout the week. For those who are new to Millfields this year, all of the work produced during this week - something from every child, will form an exhibition that parents are invited to visit. Our **Art Exhibition** will be ready for you all to see on **Wednesday 5th March from 4pm-7pm** - save the date and look out for more information via email and text about how to book a ticket for the sell-out event!

Also today, all of the children have been making their Art Sketchbooks for next week! In the meantime, you could get creative and produce some amazing artwork to submit to the Royal Academy of Art. See the link here for more information: <https://youngartists.royalacademy.org.uk/get-involved>.

Finally, if you have a moment, please comment on the proposal to introduce local cycling hire parking bays (TT1760). The council is planning to install a Lime Bike Parking Bay opposite the small black school gate on Elmcroft Street; not ideal for the safety of the children at school. The email address is; streetscene.consultations@hackney.gov.uk

I hope you have a good weekend. Take care and stay well. Best Wishes, Jane

Girls Bring Home Silver Medals !

On Thursday, the girls' football squad went to Queensbridge Sports Centre to compete in the HSAA Borough Girls 5-A-Side Finals-Night for the second year in succession. First up were Queensbridge. Millfields came out fast and hard, playing some good football to secure a 3 goal advantage with a couple of minutes to go. Unfortunately, a slight foot off the pedal allowed a strong team a couple of consolation goals, resulting in a 3-2 win.

Game 2 was against our arch-nemesis from all of this season, Mossbourne Riverside. A typically even, hard-fought and skilful tie was decided by one goal, which sadly went to the opposition, putting them in pole position to become champions. Millfields destiny was out of their hands.

The final two fixtures resulted in good wins for the girls; 1-0 over Kingsmead in a match that wasn't as close as the result sounds, and 3-0 vs Gayhurst in a game where the team saw out the competition with a performance that showcased some of the best of their abilities.

Unfortunately, Riverside went on to win their last two games to finish top of the table as champions, with Millfields as runners-up.

Congratulations to Alina, Iris B, Iris J, Mia, Rose, Rosie, Safi and Tiana for their EPAS! (They know what it means!)

PSA Updates and Achievements

This Week

Following the email this morning from the school regarding staff cuts, there are lots of parents wondering what they can do to help. The easiest way, is to contribute by donating regularly to the PSA via direct debit. This will make an impactful difference that will be felt IMMEDIATELY:

SIGN UP HERE: <https://cafdonate.cafonline.org/5688#!/DonationDetails>.

All PSA funds raised go directly to the school to try and fill the gap made by the budget cuts, to support a range of activities which otherwise the children would not have access to, and to enrich their learning environment.

We do not just fund fun stuff. In fact, most of what we fund are vital items. In the last Financial year we have paid for the following:

BOOKS

EARLY YEARS READING WRITING SCHEME
DESIGN AND TECHNOLOGY RESOURCES – (WHOLE SCHOOL)

STEAM WEEK

BLACK HISTORY MONTH EVENTS AND ACTIVITIES

And, of course, the playground refurb.

Thank you to everyone who continues to Support the PSA, and for the invaluable contribution they make to Millfields!
