

Spring Term 2026

Dear Parents and Carers,

Welcome back! Please read on for some important dates and information about your child's learning this term. On the next page you will see an outline of the learning that the classes will be covering in the Spring Term.

Core Subjects Overview

In **Maths** we will continue to focus on Fractions before moving on to Converting Units, Ratio, Algebra, Decimals, Fractions decimals and percentages, Area perimeter and volume and Statistics. In **English**, we will be reading a variety of texts written or set in the Victorian era including Oliver Twist, Street Child and The Highwayman. We will learn the skills needed to help us write narrative stories, poetry, non-chronological reports, comparative judgements and diary entries.

PE Times

All of year 6 have PE on MONDAY and WEDNESDAY.

Please ensure that your child comes to school wearing their PE kit (*white top, navy/black bottoms and trainers*) on PE days and bear in mind that most PE sessions will be outside. *Please do check Google Classroom as at times these sessions may need to change.*

Homework and Reading

Spellings will be sent out in Homework books each **Friday**. Spelling checks will happen on the following Friday. Please support your child to practise at home. We also ask that children complete 45 minutes a week of Times Table Rockstars. An ongoing project linked to The Victorians will be sent out via Google Classroom. Please encourage your child to read regularly and bring their book to school daily. We check in with children's reading during levelled reading sessions in class.

Sharing Assembly

Sharing Assemblies for all three classes will be in the Summer Term
