

## **Sports Premium Funding 2013-14 and 2014-15**

At Millfields, we are strongly committed to PE, and recognise the contribution of PE to the health and well-being of the children. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement all our children. This is evident in the wide range of activities in and out of school that we offer, including being involved in competitive sports.

Our Primary School Sport's funding will enable us to continue and extend our provision through employing additional sports coaches, entering into more competitive sports competitions, providing specific sports - lessons and training our staff to deliver high quality PE and Games sessions.

### **Primary School Sports Funding**

Information about the Government initiative for funding sport in primary schools can be found at:

<http://www.education.gov.uk>

### **What is the Sports Premium?**

The government is providing funding of £150 million per annum for the academic years 2013/14 and 2014/15 to provide new and substantial primary school sports funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school Head teachers to spend on improving the quality of sport and PE for all their children. Each school will receive £8,000 plus an extra £5 per pupil each year for the next two years – at Millfields Community School that will mean around £10,390 a year.

### **Purpose of the funding**

Schools have to spend the sport funding on improving their provision of PE and sport, but they have the freedom to choose how they do this.

### **PE at Millfields:**

PE is taught at Millfields to develop fitness levels and stamina, movement skills, team work, competition and an understanding of a healthy lifestyle.

Provision for PE is very good, as not only do most classes have two sessions of PE a week, some sessions are taught by staff whose specialism is in this subject e.g. tennis coach and football coach. Sports and PE coaching is provided by the London Academy coaches –Mark and Jack, multi-sports coach, Adrian and Tan, from the Arsenal Development team. We are also lucky enough to belong to the HTSA (Hackney Teaching School Alliance) which is part led by Clapton Girls Academy who are also currently enhancing our PE curriculum through use of their premises to aid the children in accessing sports like basketball and trampolining, as well as offering training for staff and organising inter-school sports competitions.

In addition to learning skills to help pupils to self-evaluate, make improvements and work within a team, Millfields provides good provision for swimming which is taught at the local swimming pool for children from Reception to Year 5; tennis that is taught in Years 2 - 5; basketball is provided by Clapton Academy in Year 5 and Year 6, with trampolining and athletics, also taught by Clapton Academy in Years 3 and 4, and yoga in Nursery and Reception classes.

From this, it is easy to see why children love PE at Millfields.

### How Millfields uses the funding:

- Specialist qualified sports coaches work with our teachers and pupils
- We have professional development opportunities for all staff
- Sports Week activities that encourage pupils to try new sports such as fencing, archery and bicudo
- We release staff and pay coaches to attend a wide range of events in all areas of the PE curriculum
- We buy high quality materials and equipment to support learning in PE and games
- We provide a range of opportunities for enrichment activities after school and at lunchtime
- Providing places for pupils in after school sports clubs
- Providing subsidised places for pupils on residential visits

<b>Primary PE Sports Grant awarded 2013-14</b>
