Year 6 Reading

By the end of year 6 children are expected to be able to:

Read age appropriate texts effortlessly
Summarise themes, events & express viewpoint supported by evidence
Support some points with quotations or references
Infer meaning using evidence from different parts of a text
Make comments about the choices writers make in structuring text & predict what might happen next
Identify basic features of whole text organisation
Identify the ways writers use language for effect
Make simple comments on the writers choice of language/words
Identify the main purpose of the text
Make comments about the writers viewpoint
Identify similar features in different texts and begin to comment on them e.g. characters, setting & presentational features
Recite wide range of poetry off by heart showing understanding of intonation, tone, voice, volume etc.

Your child should now be a fluent reader and will hopefully have developed a preference for different genres. He/She may not be as willing to read to you any more but it is still important to have discussions about the books that they are reading. Where possible, you should try to read some of the books your child is reading so that you can discuss the characters and events the author has used. It is still important to encourage your child to use the library to research topics being studied in school. Encourage your child to read daily for enjoyment and lead by example.

Year 6 Writing

By the end of year 6 children are expected to be able to:

Use subordinate clauses in writing to add relevant detail to complex sentences and consider impact
Manipulate the subordinate clause in a sentence to achieve different effects
Use a wide range of simple, complex & compound sentences in writing to have an effect on the reader
Use accurate punctuation within sentences and punctuate direct speech accurately
Use a variety of sentence structures to clarify meaning, add detail and create effect, continuing to demonstrate personal style
Use punctuation for impact on the reader as well as for demarcation
Organise ideas by clustering related points or by time sequence
Use paragraphs and sections to organise writing and within paragraphs use a range of connections between sentences
Use consistent style of writing appropriate to genre & audience
Choose vocabulary deliberately and use vocabulary related to the topic
Precis longer passages and take accurate notes
In narrative describe settings, character & atmosphere as well as integrating dialogue to advance action or convey character
Use colons, semi colons, dashes and hyphens accurately
Proof read own writing and make changes to punctuation and grammar to enhance effects and meaning

There are many opportunities to develop writing within the home. Encourage children to write their own thank you letters or cards. Lots of children enjoy typing on the computer rather than writing stories by hand—encourage this as much as possible as they are still developing the written word.
