Millfields at the Proms

On Wednesday, more than 200 children in Years 3-6 really enjoyed an amazing experience as they watched the Primary Proms at the Royal Albert Hall, along more than 5000 children from across the country. The music was amazing and the atmosphere electric. What made the whole experience even more special for us at Millfields was the fact that one of our expupils, Pearl Bador, was playing steel pans on the stage! Thank you to all the staff who went on the trip and continue to ensure that we always give the children an enriching experience, to remember, beyond the school curriculum!

Also this week, many of our Year 5 pupils have been taking part in a 'Bikebaility' training course. This is open to all year 5 pupils across the year and makes sure that we are making our pupils aware of road safety and how to ride safely on the roads. It also teaches them about sustainable travel! Thanks Matthew for organising this with London Borough of Hackney. Today our winning cycling team will begin the defence of their Cycling League title. Riders from years 4-6 will take part in the first event -Springfield hill climb. Good luck everyone!

Today we welcomed lots of parents to the school as it was Portsmouth Sharing Assembly which was a fantastic display of all the work the children have been doing so far this term. especially researching the Egyptians! Also as part of our work over the year on Maths, parents from Birmingham and York classes joined their children in class today to see what their children are learning and to find out the mathematical strategies that we use in school that will also help their children with maths learning at home. Thank you to all the parents who attended, we hope you found if useful!

As part of Local democracy week, the Prime Minister and Deputy PM, as well as some of the School Councillors and the cabinet visited the Hackney Town Hall to find out about the building and all the work that goes on in local government. Thank you to Councillor Rathbone who spoke to pupils from 5 Hackney schools and who also visited Millfields on Wednesday to talk to pupils about his role as a Councillor in the local community. I also visited another school this week who have used our school materials on democracy, and replicated our good practice, to hold their own week of activities and held elections to vote in a Prime Minister like Millfields. We are looking forward to meeting up with the new PM and their cabinet at West Green School very soon.

Finally, it is Diversity Week next week, with lost of trips and activities planned for the children. We are also hoping to see lots of you at diversity evening on Thursday. This year, we are asking you to bring some food to share! There will be singing, steel pans and lots of the children's work about influential black people on display. Thanks in advance for your support - tickets on sale from the main office. Finally, have a good weekend and enjoy the good weather we are forecast! Best wishes, Jane

The Parliament Trip

At the Parliament trip, for those who didn't come, we looked at 3 rooms. The Queen Room, the

House of Commons and the House of Lords. The Queen Room was The House of Commainly gold. mons was mainly green and the House of Lords was mainly red. For me, it was great because they showed us a room that the Queen was not allowed in since one king stormed into the room (House of Commons) and demanded for some men to be executed, Everyone enjoyed themselves and it was nice because I started to get ideas from the stories that they told. It was very fun. Suki.
