Millfields Working 9 to 5!

We have had a fantastic time this week as we have all been immersed in the world of work! The Nursery classes have been finding out about different jobs in the local community –vet, chef, builder, gardener and farmer. They visited Hackney City Farm and saw a giant pig by all accounts! Reception children were learning about jobs in the emergency services – police, fire fighters, paramedics and the workers in A&E. They will be visiting Homerton Fire Station next week as this week's trip had to be postponed due to a real live emergency! Year 1 have been thinking about the skills needed in the workplace and each class visited a different supermarket and had visitors in class talking about their jobs. The Year 2 children visited the Postal Museum and thought about jobs in the community. One of the favourite trips of the week is Year 3's trip to Kidzania as part of their work on money matters and why people have jobs. Year 4 also enjoyed trips to local restaurants and were allowed to make their own food and mocktails which, by all accounts were delicious. The children loved finding out about how we use maths and literacy skills in the workplace. Year 5 have been taking part in an ethical fashion project – groups in each class have been creating, designing, purchasing, planning and making fashion items that culminated in a fantastic catwalk presentation this morning! Finally Year 6 have been involved in an enterprise project that involved creating all sorts of new inventions, writing a business plan and then presenting to a Dragon's Den that took place this morning at UBS offices. A huge 'thank you' to all the staff for making the week a success, and to Sheyenne who has been busy organising and liaising with Inspire for weeks to ensure it all ran smoothly!

Today, as you may have noticed, we have all been wearing spotty clothing and pyjamas as the school community took part in 'Children in Need'. Thank you for all the donations, we will be counting up and banking early next week so will let you know how much we have raised.

You will also have noticed that the Book Fair is at school for the next few days. Thanks to the volunteers on the PSA, it is open before and after school each day and will be open for extended hours on Parents' Evening –Wednesday 21st November. The school makes 100% commission on the money raised by the book sales, so help stock up the school library and classrooms! If you have not yet signed up for Parents' Evening, please see the main office for a slot.

We also welcomed lots of parents in to school this week for Maths workshops today in Years 1,2,3 and 4, as well as LKS2 Reading workshop on Wednesday. Thank you to all the parents who came to our sharing assemblies for Tarrant and Hawking Class today. Thank you as well to the parents who came in as part of Work Week to talk to the children about their jobs with different classes across the school.

Please remember to complete and return your consent forms that were emailed out last week! Finally, I hope you received an email on behalf of the PSA this week inviting you to become a class rep – if you can help, please email alisoncquinn@yahoo.fr. Plans are also well underway for the Christmas Fair – save the date: Friday 7th December.

I hope you have a good weekend. Best Wishes, Jane

CYCLING TEAM NEWS

Last Friday saw the second cycling race of the season, with years 5 & 6 battling it out on Hackney Downs at cyclo-cross - a cold and wet day, so it was perfect timing for the team to pull on their new winter kit! Not only did they all look amazing, they also put in a fantastic and determined performance, scoring the highest points on the day, winning 3 of the 4 races and finishing with 6 medals! Well done everyone!
