I cannot believe that we are at the end of another week already! The children have been very busy and are really enjoying their new learning topics. The new children in the Nursery are beginning to settle much more quickly in the mornings, and the Reception children are already superstars - saying goodbye and going into class, happy and ready to learn. Thank you parents for helping this to happen!

One area of the curriculum that I know that all the children are enjoying is PE with our new PE coach Kea. Thank you for sending your child into school wearing their PE kits on the days that their class has PE, it works really well. A reminder however, that football shirts should not be worn, so please try to wear a blue or white t-shirt and dark shorts.

Year 6 classes started the week visiting Kew Garden as an initial stimulus for their learning on the Amazon. Year 2 classes enjoyed a workshop to spark their learning about Africa, and Y5 visited the Hackney Museum to take part in a Stone-Age workshop. All classes will have a visit linked to their Humanities learning each term, and we have lots of other trips planned for throughout the year, so please complete the Google Form in the email that came to you on Monday 12th September or here <https://forms.gle/MgiDobmvWaaNKnJa9>

We love all sports at Millfields, and are pleased to see so many children signed up for after-school activity clubs including gymnastics, football, dodgeball, cycling, archery, dance, parkour and kick boxing. We also have inter-school competitive sports taking place, so watch this space for news on the cycling league and football events in the first instance. In fact, we have already had 7 children trying out for the Hackney District football trials - thanks to Sharon for organising and good luck! Also, if your child is in Y4 and would like to take part in Cycling Trials to become part of the school team, please look out for an email next week and sign up! Also, if you are a parent of the current Cycling Team who could offer to help at some of the cycling competitions please email info@millfields.hackney.sch.uk

Thank you to all the parents who have attended the class/year group 'Welcome Meetings' this week. do know, from lots of positive feedback, that many of you have found them useful - the Information booklets have already been sent out, and the presentation will be sent out to those who were unable to attend, but if there is anything else that you need to ask or want to know more about, please do email the class teacher, Age-phase Leader or one of the Senior Leaders, and we will be happy to try our best to help! However, please note that teachers cannot always reply to emails immediately, but will try to respond in a timely manner. There is also lots of information emailed to parents and also text reminders, as well as lots of the information that you may need on the school website, which is regularly updated.

Please note the dates of our Sharing Assemblies that will be starting on 30th September, with Y1 Whiteread and Y5 Faraday Classes. For our new parents, there are 2 Sharing Assemblies each year, so the youngest classes tend to be in the Spring and Summer terms. The two assemblies run at the same time in different halls first thing in the morning. We invite all parents/carers to come to watch the assembly that showcases some of the work that the children have been doing.

On Tuesday 20th September, we have professional photographers in school to take individual school photos. On this day, please wear school uniform, and shoes even if it is PE, and bring PE clothes with you.

Finally, please remember that we need to be mindful and respectful of our school neighbours. Please do not stand in groups on the road or on the street corners, and please do not lean up against cars that are parked there. Finally, please do not park on the double yellow lines/ corners of the roads as this is a danger to all our community. Thank you in advance for your support with all of this.

I hope you have a lovely long weekend and remember that Monday 19th September is a Bank Holiday for the Queen's funeral. I know that lots of you will be watching on TV or visiting one of the London parks and/or lining the streets to watch the procession.

Take care, stay well and keep safe. Jane
