Another Amazing Week at Millfields

It has been a very busy week again even though it has only been 4 days, especially on the sporting front. Yesterday, our Y5 and Y6 swimmers took part in the Hackney inter-schools Swimming Gala. They did so well, considering they have not had swimming lessons in school for some time due to the pandemic. Every child won an individual medal and the Y6 team also won the relay race. The Y5 and Y6 Orienteering Team also started their bid to retain the crown across Hackney schools again this year. Thank you to Sharon Izaac and Devon who supported the children in their events.

As you know the Cycling Team were in action last Friday, and although there were a few new riders, the team, as always they tried their very best and as there were 8 schools taking part, it meant it was very competitive, so some great racing, and we managed to take 6 medal places (all 4 golds) and another big points win for the league. They were all fantastic, and looks like they have guaranteed the league title this year now! As ever thanks to Paul Marsden who has been an inspiration and worked so hard to make cycling such a strong and popular sport at Millfields. Thanks to one parent who volunteered to support the team next year when Paul's child leaves, and he retires from this role, but if there is anyone else who is interested, please get in touch!

There have also been lots of trips as well this week! Year 4 have been out and about quite a lot this week - they visited the Hackney Museum as part of their work on Windrush, and they also visited the West End Synagogue as part of their RE work. Hawking and Anning classes also visited the Buddhist Centre as part of their RE learning. Whiteread Class visited Museum of London as part of their in class work on London and specifically the Great Fire of London.

Staff have also been busy preparing and facilitating a visit from our School Improvement Partner from Hackney Education. This visit is an opportunity for us to share all the great work that is happening every day at Millfields, and to share data on progress and attainment and an opportunity for our SIP to look around the school, observe teaching and learning, speak to children and staff, and look at children's books. Thank you to our Governors who also spoke with the SIP about their role and how we work together. The visit went really well, and we will receive a report in due course. We are also busy planning for activities before the end of the term including Democracy Week and Sports Week, as well as all the Y6 end of year activities. We will keep you posted with dates and times. Please check the school website and read your texts.

Just a reminder, that if your child is in the current Y2, Y3, Y4 or Y5, Musical Instrumental lessons are on offer and need to be booked and paid for by Friday 15th July at 5pm to secure a place for the Autumn term. Currently we offer guitar, drums, violin, trumpet, trombone, saxophone, clarinet, flute and piano tuition. The lessons take place weekly during lesson times for 10 weeks each term. We have had lots of interest from our Y2 children, but a reminder that if your child is currently having lessons and you want to continue, then you do need to book as well! There is a showcase event on Wednesday 29th June at St John's at 6:30pm - hope to see many of you there!

Finally, I hope you all have a good long weekend, and enjoy the glorious weather forecast for tomorrow - what great timing! Take care, keep well and stay safe. Jane

Important Dates

Summer Fair

Saturday 25th June

Democracy Week

Mon 4th - Fri 9th July

Sports Week

Mon 11th - Fri 15th July

Outdoor London Day

Tuesday 19th July

Last Day of Term

Wednesday 20th July

First Day of Autumn Term

2022 for Pupils

Monday 5th September

Attendance

Week beg: 6th June

Our school target: 96.5%

Last week: 92.8%

Winning classes:

KS1 - Lowry (94.5%)

KS2 - Turing (97.5%)

Well done!

A Great Bit of News!

A project in Anning Class had Catrin M making a lovely little sculpture earlier this year - she called it '2 heads are better than 1'. Her parents entered it for selection for the Royal Academy Young Artists' Summer Exhibition and it's been accepted!

The RA had over 20,000 pieces submitted for selection and they usually only choose around 350 so it's an amazing achievement. Catrin gets to go to the private view mid July, then the show is a free exhibition at the Royal Academy through the summer.

<https://www.royalacademy.org.uk/exhibition/young-artists-summer-show-2022>

Well done Catrin! We're all looking forward to visiting the Royal Academy to see your piece! We're very proud of you!

Reading Rocks!

When the weather is as good as it is now, is there anything better to do in school than read on the new roof terrace? Baylis class don't think so!
