Did Someone say Wedding?

Firstly, well done to all the Year 6 children who completed their SATS this week. They all worked extremely hard and definitely tried their best. The tests were pretty tough, but they all made me feel very proud as they all worked determinedly on them each day this week. The Y2 children are still doing their tests until the end of may, and are also working very hard to show us what they have learnt! Keep going! Yesterday, we all enjoyed the wonderful sunshine, fresh air and ample space down at Hackney Marshes as the whole school took part in national

Outdoor Day. All the classes built a shelter or put up a tent and made a base camp for themselves. They then took part in lots of activities including tree-climbing, leaf jewellery, making Stone Age weapons, playing football, rounders, parachute games, nature trails, chess, board games, dancing, singing and lots more! The children and staff had a fantastic day and everyone felt much better for having a day learning outside. Thank you also to the few parents who came to help out – much appreciated! As it is Mental Health Week, we know that having lots of fresh air and time outside formal learning is good for all our well-being, so we think we should do this once every half term! What do you think? We would love your child's and your feedback.

This morning, Birmingham and Belfast classes treated us to two wonderful celebrations of their class learning this term. Well done to everyone! Also, thank you to the parents who came to the Maths workshops in Liverpool and Oxford today – the feedback from all Y3 and Y1 parents, who have attended the workshops has been great and we will be looking at rolling this out to other year groups next year.

Today, we had a wonderful celebration. The whole school community wore their finest and smartest clothes and looked amazing as we celebrated the royal wedding of Prince Harry to Meghan Markle. This morning, we learnt about the history of the royal family and each year group – staff and children, who have been learning a song over the last few weeks, performed on the stage in the back playground to a captive audience who sang, danced, laughed and clapped enjoying the whole experience. Union Jack flags were waving and the whole scene looked amazing! Thank you to all the children, families and staff who embraced the whole day and made it so memorable for the children. As a memento, each child also received a royal wedding bookmark.

Next week is Hispanic Week, so we will be doing all things Spanish! Classes will be learning some salsa moves, learning some new Spanish phrases, Spanish songs and doing some cooking, as well as learning a little bit about lots of different Spanish-speaking countries around the world. If you would like to come in to speak to your child's class, or another class, please email Belen and the class teacher to organise a session.

Finally, it is the Hackney Run this Sunday, so good luck to all our runners –there are 187 representing Millfields. They have been training every Tuesday and Thursday morning for the last few weeks and will run the final miler with hundreds of other runners at the weekend.

There are lots of activities on offer throughout the day, so please come down and support us if you can! Have a good weekend.

Best Wishes, Jane

Millfields Cycle Team put in another impressive performance on Hackney Downs last Friday. Riders from years 4 and 5 were grass track racing on fixed gear bikes, a challenging series of races new to most of them, but in true Millfields spirit, they showed great skill and determination. With an impressive turn out from family members to help and cheer them along, they won 5 medals and all riders scored an amazing points total, extending our lead at the top of the league table!! Well done everyone!!!
