**Always Good at Millfields!**

The new term has started well and our children are enjoying lots of additional learning opportunities to enrich the curriculum, including trips, workshops and special visitors to the school. The children on the School Council have also been very productive in the first 2 weeks back as after the huge success of the rucksacks for the homeless, they are now collecting clothing and blankets to distribute during this cold weather. We also have two members of staff who have started their own group that supports the homeless called 'Share', so if you have any small toiletries, teabags, coffee sachets, sugar sachets or stirrers, please bring to the box in the main foyer.

Thank you to all the parents and carers who attended the Year 6 Residential Information meetings this week. If you were unable to attend, please arrange to meet with Roz or one of the Year 6 teachers for further information, or pick up a pack from the main office.

We also hope that the parents from Y2 and Y3 who attended the Maths Whizz workshop found it useful, and thank you for your feedback. I would however like to say that if you have any specific issues with any aspects of your child's learning or teaching methods/strategies at Millfields, please make an appointment to meet with the class teacher in the first instance or one of the members of senior management to discuss further.

Teachers have also been preparing for our 'Creative Week' sessions next week. Thank you to those who have already brought in junk materials that have been requested by your child's class teacher, and if you do have any old milk cartons, spare aluminium foil, shoe boxes, card centre of toilet rolls or kitchen towels, please bring to the main reception today or early next week.

The children will all be doing creative sessions and producing class and individual art / models of 'Future London' that will be on display and shared at our 'Creative Night' scheduled for Monday 28th January. There will be ticketed sessions between 4pm-7pm, so please buy your tickets from the main office. Adults £1 and accompanied children are free. There are a limited number of tickets, so please buy early to avoid disappointment. As part of the evening celebrations, we are also selling food – lots of the delicious food that your children eat every lunchtime will be on sale. If you could donate any cakes to sell that would also be appreciated. There will be also be drinks on sale during the event. We would love to see you all there.

Finally Potter class visited Forest School for the first time this week and had a great morning playing in the open space, climbing trees and collecting leaves, twigs and minibeasts! Thank you to all the parents who made sure that they were all wearing appropriate clothing and were wrapped up warm.

We are always encouraging the children to wear coats, gloves etc. at playtime and would like you to reinforce this at home please, especially as the weather is set to get much colder... we might even get some snow!

Have a good weekend. Best Wishes, Jane

## Important Dates

**Creative Week**  
21st –25th January  
**Creative Evening**  
Monday 28th January
