## What an End—Millfields Cycling Team Do it Again!

I cannot believe that it is the end of another academic year and as always, there has been lots of hard work, challenges but most importantly lots to celebrate and lots of rewards! We organised many amazing events; we had many successes; academically, in the sports arena and in the creative field; we celebrated together; we had lots of shared opportunities. We worked together as a team, a community and have created memories for another year! Thanks to all the children, staff, parents and the wider community for all of your support, compassion, enthusiasm and energy – none of the amazing things that happen at Millfields could happen without all of you. This year has been made so special for me personally as I celebrate 30 years at Millfields. On that first day I joined the, then, Millfields Junior School, as a newly qualified teacher in

Y3, who had never been to Hackney before, I could never have imagined still being here, and still loving every day. I can honestly say that no two days have ever been even remotely the same, and every day, and every year I meet so many wonderful new colleagues and of course new children who are undoubtedly the heart of this very special place! A thousand thanks again for my amazing gifts, and for the fantastic signed book from all the children and staff, and a song written about me! There have been so many very special moments -thank you. As I reinforce every year, the Millfields School community is definitely very special and I am humbled and proud to be a part of it.

As always we are very sad to see the children in Year 6 get ready to move on to the next stage in their educational journey. This group of Year 6 children are an amazing group of talented and confident individuals who have been true ambassadors for the school in every way and on every forum. From their very first day, at the start of their journey at Millfields, it has been an absolute pleasure. The end of year performance of 'Aladdin' was just brilliant – great staging, costumes, acting, singing and most of all good humour and fun. This year group have worked extremely hard, they have been enthusiastic learners, good friends and considerate classmates. They have always been excited to learn and take part in all aspects of school life. They have all developed confidence in their own way and become informed and articulate, and not afraid to share their views and opinions; there are many big personalities as well as a few quite talented individuals in many fields – writers, actors, singers, musicians, sportsmen and women, footballers, cyclists, politicians, dancers, singers, ambassadors and entrepreneurs! I know we will definitely hear some of your names again in the future, of that I am sure. Remember – continue to make sure your voice is heard and be the best that you can be! Well done – we are going to miss you all!

At our end of term celebration assembly today, we recognised all the hard work of our very dedicated and enthusiastic class champions – Eco, Learning, Road Safety and Language champions. We also thanked Prime Minister, Kit and Deputy, Annie for all their work – they have made some changes and differences to many aspects of school life. We also celebrated the 4<sup>th</sup> successive Hackney Cycling League trophy, as well as recognising the amazing sponsored cycle ride and the children who passed their Bikeability training. Well done everyone! I am always very proud of your effort and achievements!

Last, but certainly not least, we are again, saying a goodbye and a huge 'thank you' to some members of staff who are moving on to many varied and exciting ventures in the UK and the rest of the world! Farewell to teachers – Dorothy, who I think is finally retiring and having a rest we hope (after all the tears today), Y6 teacher and PE Lead, Matthew who is moving up North, and our SENCo, Lilly, who is moving on to a new role in SEND; also to Jade who is taking sabbatical and heading off to Australia, and Bruno who will be travelling for a few months before returning in February. Also, farewell and bon voyage to Mahalia who is also off to Australia! I know you will join me in thanking them for all their work at Millfields and wishing them all the best and good luck for the future! Good luck and best wishes also to Keli, who is getting married during the summer! And finally, good luck to all the children and families who are moving out of London to new houses and new schools over the summer – we will miss you all!

Thank you everyone, have a great summer break, and see you on Wednesday 4th September at 8.45am. Set those alarm clocks now! Best Wishes, and have a fantastic summer. Jane
