## Another Amazing Week at Millfields

What a brilliant day the Millfields community had last Saturday! The Summer Fair was a huge success - the sun was shining, and I think we saw record numbers of parents and children and staff including lots of ex-pupil and ex-staff! The PSA committee and other parent volunteers did an amazing job - it ran like clockwork. There were lots of great games and activities, food and drink, arts and craft stalls, lots of pre-loved things to buy, tombola and the raffle and lots more. Thanks to everyone for coming

along and joining in the fun and helping to raise a fantastic **£9,985.37!** This includes money raised through Keaton's sponsorship. THANK YOU to each and every parent who volunteered before, during and after the event, and to

those who donated raffle prizes, but a special thanks to all of the PSA committee. A great community effort!

We have had another busy week in school! The children have been very busy completing end of year assessments in reading and Maths, and the teachers have finished writing the Annual Reports, and the leadership team are now reading them. Some of the anecdotes and comments from the year have made me so proud and very sentimental as we come to the end of another academic year. We have also been finalising the Y6 Leavers Book, and again there are so many memories and special moments to remember.

On Wednesday evening, lots of Millfields talented musicians and singers and their parents and staff packed St James Church, as we hosted our annual Instrumental and Choir Concert. It was a wonderful evening celebrating and showcasing the hard work and practice of all our violinists, brass players, drummers, guitarists and singers! There really are some talented children at Millfields - some future stars I have no doubt! The evening was really enjoyed by all! Thank you to Roz, Tom, Celia, Simeon, Lawrence and Jack for all their hard work teaching the children and getting them ready to perform!

Yesterday was Transition morning for all of the children and staff. Children met their new teacher and the teacher met their new class. We welcomed lots of new children to the Nursery and reception - lots of little brothers and sisters, new teacher Rosa to the Millfields staff team. Our class names are staying the same this year; EYFS classes are named after British authors; KS1 classes are named after British artists; LKS2 classes are named after British inventors; and UKS2 classes are named after British Scientists. It is going to take all the staff and children some time to learn all the new names, but I hope that your child will have spoken to you about their class

name and that you will help them research and find out more about their class namesakes over the holidays. I know that the children enjoyed their morning with their new class teacher/s. It is always a difficult task to allocate teachers to classes and there are always many reasons that my team and I have to consider when making this decision, factors that you may not be aware of as parents, but please be assured that the decisions are not taken lightly and much thought always goes in to the process to ensure the best outcomes, both academically and socially, for all of the children in the class as a whole, and for all the classes across the school. The class allocations, with the new names can be found on the website under the parents information section and here in the Mag. Support Staff allocations have not yet been finalised, but will be decided by the end of the year.

Next week is Democracy Week, when all the children will be hearing about school, local and global issues that we will take on next year through electing our new Prime Minister! Watch texts and emails next week to keep up with all the news and gossip about the candidates!

Finally, there does seem to be a lot of different illnesses around at the moment, including Covid. Please let the school know if your child is unwell in any way and always test for Covid if you have any of the symptoms and let the school know ASAP if positive. Guidance on absence is here:

REMINDER: School finishes on Wednesday 20th July at 2pm/2:15pm. There are no After-school Clubs.

Have a good weekend, Take care, keep well and stay safe everyone.

Jane
