It's All Happening At Millfields!

We have reached the end of term already! It feels like we have hardly been back for long but we have, as always, managed to pack lots of learning and fun into the last 6 weeks! A massive 'THANK YOU' to everyone for dressing in something blue today as we mark 'Autism Awareness Day'. We are still counting the cash but there is already around £200 - thank you as ever for your generosity! We also had some great Easter bonnets today - great effort!

As well as all of this, some brilliant cyclists and triathletes have been raising

money for Ukraine. Lots of young cyclists in Hackney did a 100 mile sponsored cycle at the Olympic park circuit on 30/3 to raise funds for the Ukraine crisis response. Well done to Hattie, Catrin, Grace, Esther, Ayla and Milo! Donations are still being collected here.

We have had such a busy and fun week of learning as all the children have been enjoying workshops, parent talks and activities based on STEAM (Science, Technology, Engineering, Art & Maths) and Design technology. Thank you to the parents who visited classes to talk about their jobs and who also brought some very interesting activities in to school for the children to try! You were amazing - thank you! The children all had a presentation from their teachers about smashing stereotypes in Science and then drew what they thought a scientist looked like! The results were quite shocking in terms of stereotypes, so we all need your help to make sure that the children know that ANYONE can be a scientist if they want to, if they work hard, have natural curiosity and inventive ideas! The children also worked on challenges and activities throughout the week including food technology, making spaghetti and cup towers, dissecting owl pellets, making self-inflating balloons, making bouncy balls, chromatography, making foil and paper boats that hold a heavy load! The children (and staff) had so much fun and learnt so much! Thank you to Lucy, Sheyenne and Bruno for organising!

We also had our termly London Day this week. This is an opportunity once a term for all the classes to visit somewhere in our wonderful capital city. Yesterday, classes visited some of the following places: Tate Britain, Hackney Museum, the Maritime Museum, the Museum of London, The Science Museum, The Estorick Gallery and the National Portrait Gallery. It was a clear crisp day, and the children enjoyed their visits and eating lunch outside in the early spring sunshine! Please ask your child about their day.

This morning, Vicky and our Class Eco-champs and parent volunteers, Erica and Nicole, took part in the Big Spring Clean-up! They walked to Clapton Pond and around the local area collecting rubbish and trying to recycle some of the things they found! They also did some 'guerrilla gardening'! Look it up!

A reminder that there is a used School Uniform Sale after school today for all ages! Thank you to the parents, especially Bettina, who have been organising and running a stall every day this week. Please also have a look in the Lost Property Box - there are so many clothes that are not labelled and are unclaimed!

Finally, please have a lovely break with friends and family over the next 2 weeks, and let's hope that everyone is back safe and sound to start the summer term on **Tuesday 19th April**.

Take care, stay safe and keep well.
Jane

180 Miles Done!

Hackney4Ukraine

Millfields cyclists have been doing their bit for the Ukrainian humanitarian appeal this week. Grace, Hattie, Ayla, Catrin & Esther braved the cold on Wednesday night to take part in a large group sponsored ride around the Velopark circuit, riding nearly 300kms between them. Earlier in the week, Milo C ran, cycled and kayaked along the river, an amazing 25kms! More cyclists are planning a ride later today (Friday) - fantastic effort everyone, well done, the total donations now over £6000!! Donations are still being taken here. <https://www.justgiving.com/fundraising/hackneycycle10oukraine>

Millfields Cricket Team In The Top 4 In London

Last Friday the Millfields cricket team played at Lords Indoor Cricket Academy in the William Greaves Trophy finals for London primary schools. It was the end of a journey that had started in December when we became Hackney Borough champions at the Britannia Centre, and continued at Lords in February when we won through the East London semi finals to compete in the 8 team Grand Final.

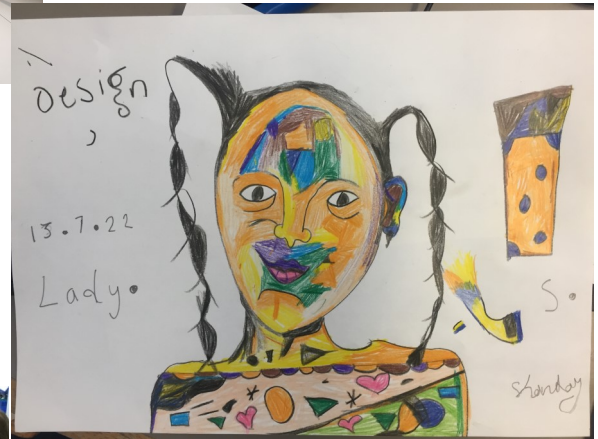

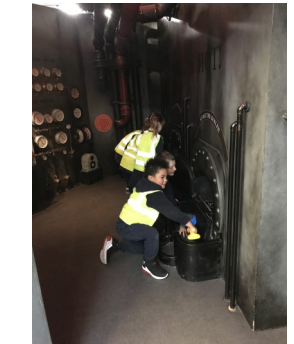

After confident and dominant wins in our first two group games, we were well beaten by reigning champions Little Ealing (Ealing Borough), who would subsequently go on to retain their title. However, we did qualify from the group to the knock out stages. Unfortunately, the semi final proved to be our limit as we lost in the final over to Rhodes Avenue Primary (Haringey), who have also previously won this competition. Although we did also lose, again in the final over, to Leo Academy (Sutton), in the 3rd/4th place match, to finish as one of the four best indoor cricket primary school teams in London is a fantastic achievement. Particularly, given that half of the squad are currently in Year 5, it also bodes well for next year and the future.

Congratulations to all of the squad;

Dash (capt), Daani (v-capt), Alice, Esther, Freya, Ifeoluwa, Jacob, Milo, Murray, Sam and Tiernan

A special mention to Daani, who, by his superb all round performances, was awarded the Best Male Player Of the Finals.
