Millfields - Back to School!

It has been so fantastic having all the children back in school and seeing all of the parents and families at the gates. The children were so excited as we welcomed them all in on Monday morning! The bunting was out and the smiles were radiant!

It now feels like we have never been away as the

transition back to the school day and school routine, for the vast majority of the children, has gone really well. The children have been so excited to play with their friends again, and to share experiences with their classmates about their time away from school, as well as eager to start their collaborative learning again in class.

The children loved the 'Lockdown Learning' displays in class, so thank you for helping the teachers to select work to display. The children have really enjoyed getting back to the routine of learning new things and recapping on previous learning. Some of the things that I have seen on my daily walkabout school this week; Year 3 have been writing some great Information Booklets on the Romans, Y4 have been working hard on fractions in Maths; Y2 have written some great letters; Y5 have been enjoying their PE at the park; Y1 have been reading and doing work around the brilliant book, 'The Jolly Postman'; Y6 have been making models of meandering rivers; Reception have been working so hard on their phonics and reading; and the nursery children have been 'making magic bubbles'! So it's back to business as usual!

Next Friday, 19th March, is Comic Relief -Red Nose Day. We are asking everyone to dress up as a 'Superhero'! Look out and/or get your costumes made this weekend! There will be a £1 donation on the gate please. Also, red noses are on sale from today until next Friday at each school gate. They are £1.50, and there are 10 noses to collect!

Thank you, as always to all the parents who generously continue to donate to the Millfields Food Bank. I know that some of you have involved the local community in collecting for us, so many, many thanks. We are open every Thursday for any families in need. We need some of the following items please: toiletries including shower gel, toilet roll, fruit juice, squash, biscuits, tins of tuna, sardines & salmon... and anything else!

Finally, please have a good rest this weekend everyone, as I know that the children will be very tired at the end of this week as they complete a whole week back in school! Try to get outdoors for some fresh air and fingers crossed there is no rain!

'Happy Mother's Day' to all the mums out there - hope you have a rest too!

Take care, keep well and stay safe.

Jane

RED NOSE DAY
FUNNY IS POWER
FRIDAY 19 MARCH

Grab your backpacks and a sense of adventure, we're off to the Great Outdoors to meet this year's Noses. This woodland crew has got all sorts of fun and games lined up for Red Nose Day 2021.

CHIEF

Usually found telling stories by the campfire, this wise old Nose is branching out with a sponsored silence.

ROBIN

A little birdie told us that this aerial daredevil is selling tickets, then taking off for some swooper-duper stunts.

SNAIL

It'll be a marathon not a sprint for this slow-moving mollusc, who's planning a sponsored slide around the garden.

BADGER

This brilliant Nose was always in the top set at school and is hosting a brain-teasing quiz for the critters.

FOX

An adventurer and Badger's bestie, this friendly forager is off in search of snacks to sell at the quiz.

CATERPILLAR

If there's one thing this creative Nose knows all about, it's high-flying transformation, so bring on superhero fancy dress day.

LADY B

Tuning up for a talent show turn, this musical maestra will hit all the right notes to raise lots of cash.

DAISY

This twinkle-toed Nose has been practising plies and perfecting pirouettes for a 24-hour ballet danceathon.

TOMMY

This cheeky little joker will be telling rib-tickers at the talent show - though hopefully no actual side-splitters.

GOLD TOMMY

There's a 1 in 800 chance you'll ketchup with this Nose.
