Millfields on a Roll!

What a wonderful Friday it is! The sun is shining and the school is filled with laughter as we have all dressed up as Superheroes for 'Red Nose Day' 2021! Thank you to the children and staff for really getting into the spirit of the day, and celebrating the day by dressing up! There were all the usual superheroes, Spiderman, Superwoman, Batman, Wonder Woman, but this year, there were also lots of 'Super teachers', 'Super' children and Super NHS workers! We are celebrating the greatness and the superpowers that we all have! Days like these really lift the spirits and the sense of joy and well-being around the school was amazing!

We have sold more than 600 red noses and have raised an additional £450 plus for Comic Relief. Thank you so much to everyone for their generosity!

This week, we have also marked the fact that this coming Sunday 21st of March is Census Day. The last census was in 2011. To mark the event, Millfields hosted a 'Let's Count! Day' in each year group and took part in the Let's Count! competition. By taking part, the children developed their maths and geography skills, while also learning about the importance of the census and how the information it collects helps shape the society we live in. Each class decided what they would count, how they would collect the data, and then created graphs and artwork for a wall displays. Things being counted included types of transport, recycling and waste facilities, types of houses and animals to name a few. The whole school display will be entered into a competition to win £1,000 of equipment for the school. Thanks to all the children and staff, and to Emma for preparing and organising the lessons for us all!

Also this week, we did celebrate St Patrick's Day, even though due to Covid restrictions, we really missed listening to the beautiful music and watching the fantastic dancing from the St Patrick's Day Troupe, but there were lots of children talking fondly about previous years, hopefully we will see them again next year again!

We also welcomed back the Cycling League competition to Millfields this week! The cyclists from Y4, Y5 and Y6 completed time trials on the roller bikes. It was a really quick session of racing. All of the riders were excellent and those who hadn't done it before or were very nervous about it definitely gained confidence through the morning. All had a chance to have 3 x 500m timed races. Well done everyone and thanks to Remi, Vivienne and Pia for stepping in at the last minute to give it a go! Thank you as always to our super parents - Paul, Alistair and Andrew for organising and running the session!

Finally, Year 1 and Year 2 classes also enjoyed taking part in drama workshops earlier this week. I think we have some budding actors in our midst!

Have a lovely weekend, enjoy the outdoors and have a good rest!
Take care, keep well and stay safe.

Jane

Important Dates

World Down Syndrome Day

Sunday 21st March

Outdoor Morning

Wednesday 31st March

Non Uniform Day

Thursday 1st April

(Autism Awareness - Wear Blue)

Last Day of Term

Thursday 1st April

School closes at

1:00pm/1:15pm

World Autism Awareness Day

Friday 2nd April

First Day of Summer Term

Monday 19th April

Attendance

Week beg: 8th Mar

Our school target:

96.5% Last week: 98.2%

Winning classes:

KS1 Lowry, Hepworth &

Riley (100%)

KS2 Hawking (100%)

Well done!

"Sometimes," said

Year 4 Dunlop Class Science lesson on Electricity!

Join our Virtual Balloon Race!

Buy a balloon and help raise funds for Millfields Community School PSA

Balloons are £2 each and prizes will be awarded for 1st, 2nd and 3rd prizes

For more info & to buy your balloon go to:
www.balloonrace.com/millfieldspsa

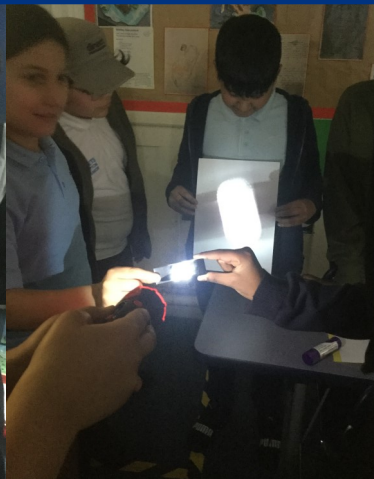

Race starts: Monday 29th March at 12 noon
Race ends: Thursday 1st April at 12 noon

Year 6 Hawking Class

Science investigation photos: Children shone a torch through a transparent prism and held a piece of white card in front of the refracted ray of light as it left the prism. They saw a rainbow of colours. Then they made their own colour wheels.
