## Millfields At Its Best

We have reached the end of term already! It feels like we have hardly been back for long but we have, as always, managed to pack lots of learning and fun into the last 4 weeks!

A massive 'THANK YOU' to everyone for dressing in something blue today as we mark 'Autism Awareness Day'. We are still counting the cash but there is already around £200 - thank you!

Also today, we have drawn the winner of the Easter Egg Raffle! There were more than 30 eggs to win! The lucky winner of the big egg is Daniel from Berners-Lee Class, who is so excited! The winners have been notified and they will bring their egg home with them today!

Some of the Y6 children have also made brilliant Easter Bonnets. In normal times we would have had a whole school Easter Bonnet competition, but times are different this year. However, this

is the last opportunity for Y6 children to take part so they decided to do it anyway!!

This week, lots of the children have taken part in online music concerts with their families. The Instrumentalists and singers were all very impressive! Thanks to Roz and Tom and all the Music Tutors who gave up their time to make this happen!

Yesterday, the whole school took part in our half-termly Outdoor Day! The children went to all the local parks that we are so lucky to have on our doorstep, and there were lots of fun and educational activities happening! Fractions with twigs in Y5, Art creations, sketching, PE and games, bird-spotting and many more! We were so lucky with the weather, and the children and staff enjoyed their time out in the open air!

We welcomed Alex back from maternity leave this week, as she takes over Lowry Class from Kamilah, who is now going on maternity leave! There are certainly lots of new babies around Millfields at the moment! Good luck to Kamilah, and I am sure we will be meeting her new addition very soon!

You should have received an email this week about Parents' Evenings that will be taking place after the holidays online on Tuesday 27th and Wednesday 28th April. Please make sure that you have a SCOPay account to make the booking.

Finally, please have a lovely break with friends and family over the next 2 weeks, and let's hope that everyone remembers to follow the guidelines around social-distancing, wearing masks and keeping to the rule of 6 ahead of the shops and hospitality opening on 12th April. We still need to take care and stay safe, and hope that we can return to some more normality soon! Term starts on Monday 19th April - see you then! Happy Holidays. Stay safe and keep well. Jane

## Calling all parents of SEN children, those with additional needs or EHCPs

If you would like to chat with other parents about some of the challenges you/your child faces, there is a parents WhatsApp group.

It can be a lonely place as a parent, when your child doesn't achieve the same as their peers, when they are not invited to the same parties or when their learning is delayed.

Talking with others helps us feel less alone, helps us identify strategies or blow off steam with each other, helps in identifying goals for EHCPs, helps when exploring secondary school options and opens the world of other learning.

Message Mags on 07756 068240 if you would like to join the group.
