Millfields Learning at Home and at School

What a lovely day to finish the week with the sun shining! The sunshine certainly brings a smile to everyone's face and a spring to our step! I hope you all had a lovely half term break, and 'well done' and thank you again for getting back in to the swing of home learning!

Only one more week of home learning and then we will all be back in school together again! I know that the children will be very excited to see their friends and teachers again, and we are all very excited and looking forward to seeing all of the children, and you the parents, too! We know that you have all been trying so hard to keep up with your learning at home and we are going to make the transition back in to school as smooth as possible. If you have any questions or concerns, all of the teachers will be using some of the time on the first day back to talk to the children and have a well-being/circle time session. However, please do reiterate that the children can talk to any member of staff at any time if they need to about anything at all!

You should have received the Parent Information Booklet today via email and this has all the information for the arrangements for returning to school on Monday 8th March. Please check the document carefully. Please also make sure that your child comes back to school with their White Rose Maths book, writing journal if they have one and any other resources, and if they borrowed a laptop/iPad/Kindle Fire and charger, please bring that back too!

Our last week of home learning is a fun one as it is Book Week and we will be celebrating World Book Day on Thursday 11th March by dressing up in the usual way! There will be online zoom sessions and activities as usual on Monday - Thursday, based on a range of lovely books and stories, and then on Friday, there will be optional sessions provided on Google Classroom including an online pantomime. All of the staff will be in school on Friday to plan and prepare learning and the classrooms, so that they are ready for everyone to return to face-to-face learning on the following Monday.

Also, please remind your child about the RE Calendar Competition and the Show Racism the Red Card art and creative writing competition. More information about these were sent via email.

Finally, have a lovely weekend in the sunshine.

Take care, keep well and stay safe.

Jane
