LIFE'S A BEACH AT MILLFIELDS

This week has been very hot and very busy as ever! As the sun was so strong on a couple of days, we made a decision to keep the children inside for part of the lunchtime and encouraged the children to drink lots of water and to stay in the shade and do quieter activities when they were outside. If the weather continues to be hot, please make sure that you put sunscreen on your child in the morning, and bring a bottle of water to school, as well as a hat or cap.

Next week is 'Sports and Healthy Living Week', and we have a packed timetable of sporting activities, and a healthy cooking session organised for each class. All children will be encouraged to take part in all activities next week so please make sure that they are wearing sports clothing and trainers every day to ensure that they take part safely. There will be whole school aerobic sessions in the playground starting at 8.50am every morning so please feel free to join your child for those sessions. There are also lots of other taster sporting activities arranged and each year group has a sports day organised which you should have received information about. If you need a Sports Day information later for your child's class, please collect a copy from the main office.

As part of their topic on the seaside, Year 2 had a fantastic day on Tuesday at the beach in Walton-on-the-Naze. The weather could not have been better –the children told me how they had a lovely time playing together on the beach and swimming in the sea to cool down! Thank you to all the parent/carer volunteers who helped out on the day.

Also this week, Derby Class, Nottingham Class and Leeds Class visited St Paul's Cathedral as part of this term's work on the Great Fire of London. The children had a brilliant time reinforcing their learning about historical events in London.

Reception classes visited the London Aquarium on Monday as part of their topic on water. The children had a great time and saw some amazing fish and water creatures. Again, thanks to our parent volunteers.

Also this week we had a visit from our School Improvement Partner from Hackney Learning Trust. She was looking at all aspects of the school but this term's visit focussed specifically on support for pupils with SEN and additional support. The SIP was very impressed with the provision and interventions she observed and with the work of the Senior Leadership Team, the Middle Leadership Team and the Governing Body. Thank you to all the staff and children for their support and hard work yesterday and always.

There are lots of school events and trips happening over the next few weeks, so please make sure that you read texts and letters. If your mobile phone number has changed, please inform the office staff asap via info@millfields.hackney.sch.uk.

Finally, no school for children tomorrow as it is an INSET day. Have a good weekend.

Best Wishes, Jane

Come and join HMDT Music's Saturday Programme

HMDT Music's Saturday Programme takes place each week during term time at Haggerston School in Hackney. We are currently taking applications for the Autumn term in the following programmes:

- Fledglings Foundation Programme (Reception)**
- CYMH Instrumental Programme (Years 1-6)**
- I Can Sing! Performing Arts School (Years 1-6)**

These programmes give pupils the opportunity to become confident performers by developing vocal, instrumental and ensemble skills, depending on which programme they join. Whether they are singing and dancing on stage or giving their first instrumental performance, our students flourish thanks to our 'wholistic' approach.

If your child is looking to take their first steps on their musical journey, then our Saturday Programme provides a unique and engaging experience for them to do that. It's the perfect way to keep them stimulated and excited on Saturdays so get in touch with us now!

Further information and application forms can be found on our website (www.hmdt.org.uk) or by phoning 020 8882 8825. You can also find us on Twitter, Facebook, Vimeo & Instagram, where you can get a good idea of what happens each week. Please do not hesitate to get in touch if you have any queries!
