We Love to Read at Millfields

We have had another busy week at Millfields. The children have all been working hard in class and loving their learning! This has obviously been made much better by the lovely sunshine that we have had all week - long may it last!

It will definitely still be good for our many runners who will be taking part in the Hackney Schools Challenge Run tomorrow, ahead of the Hackney half Marathon for adults that takes place on Sunday. All of the Millfields registered runners have been given their number and t-shirts (If you don't have these yet, Crystal will have them ready for you at the park tomorrow morning!). Please meet at 12 noon at the corner of Millfields Park - opposite Millfields Cafe. The race starts at 2pm, and there are many other activities to enjoy throughout the day. Good luck to all our runners, and so sorry I cannot be there this year! I look forward to hearing all about it on Monday.

Today is our termly 'Internet Safety Day' - the main aim of today is to remind the children about staying safe online. Children in Years 2-6 enjoyed taking part in an interactive national online assembly entitled 'Be Internet Legends'. Be

Internet Legends is an educational programme that empowers young people to be safer and more confident explorers of the online world. Please have a look at the parent's page on the following link: https://beinternetlegends.withgoogle.com/en_uk/parents/

At the end of last week, the teachers and children finished decorating their classroom doors to represent the name of the famous person that their class is named after. We always make this into a competition and the decision-making about the winners was again very hard this year! Well done to Bond Class, Hepworth Class, Lovelace Class and Newton Class. We also make the Class Book Corner creations into a competition too, and again, well done to the winners: Hutchins Class, Riley Class, Berners-Lee Class and Hawking Class. We are creating lots of reading areas around the school building, to ensure that all of the children have a space to enjoy their reading. Reception children are particularly enjoying reading The Three Little Pigs.

Next week is 'Maths Week' at Millfields. The main aims of the week are making maths, reinforcing a growth mind-set, making links across the curriculum and in particular Art through the work of Mondrian, to strengthen maths learning behaviours, to reinvigorate Maths Whizz usage across the school and to explore the use of Maths Journals. Each class will be doing 2/3 Maths investigations across the week, as well as a Maths Art lesson, and will also be taking part in Maths Workshops run by Maths-Whizz. The week will finish with a 'Dress Up' Day on Friday 1st October - we are asking everyone to dress up as Maths Rock Stars! We are asking for a small donation towards our school and a chosen charity that this time is 'Empathy Animals'. We will be directly benefiting from this charity in the near future, so please give generously this charity. Look at the website for more information. <http://www.empathyanimals.org/>

There is a Maths-Whizz Parents' Information session on Tuesday 28th September at 5pm - please see the email for the meeting link. You can find out more about how Maths-Whizz works and how to best support your child and make the most of this invaluable homework tool.

Well done to all the Y4 cyclists who trialled for the Cycling Team yesterday - thanks to the parents who replied and signed up their child to take part. The children had a great time and tried their best! Thanks Paul for organising!

Also massive, 'Well done' to Dash and Raph W in Y6 who progressed through 2 sets of trials to make the last 20 in their bid to be chosen for the Hackney District Football Team. Fingers crossed for tomorrow! Thanks to Sharon for supporting them!

Also today, we remember our friend and colleague Alice, whose birthday is tomorrow - 25th September. We think of Alice often and always remember her when we look at the beautiful memory and reflection wall outside in the back playground.

Finally, a huge 'thank you' to all the parents and families who continue to donate to the Millfields Food Bank, as well as old school clothes donations and toys and puzzle donations. They are all very much appreciated and help us support the whole school community. Look out for texts about how you can help!

I hope you have a good weekend. Take care and stay safe everyone!

Best Wishes, Jane

Important Dates

Maths Week

Week beg: 27th September

Maths Whizz Dress Up Day

Friday 1st October

Black History Month

Week beg: 4th October

Show Racism the Red Card

Friday 22nd October

Half Term

25th - 29th October

Inset Day

Monday 1st November

**HEY KIDS, DO YOU LOVE MOVIES?
IF SO WE WANT TO HEAR
FROM YOU!**

Do you love animation? If so, here's a chance to have your very own home made animations featured on Mini Movies for CITV!

It's fun and simple to do. So if you're aged between 7-12 and would like the chance to be a part of our show, then get a parent or guardian to email the address below and we'll send you more details on how to get involved.
