Another Amazing Week at Millfields

As I write this, 61 Year 6 children are on a coach on the way to Overstrand in Norfolk for an activity weekend! They were very excited this morning as they all came in to school, suitcases, rucksacks and wide smiles! I am so pleased that they have been able to have this experience as they have missed so much of the additional learning experiences due to lockdowns and restrictions. I know they will have a fantastic time.

The children have worked very hard this week, without really knowing in some cases that they have been doing end of year assessments in writing, reading, Maths and Science! All of the staff are very impressed and proud of the amazing effort that they have all put in!

The results of the assessments help inform future planning and learning opportunities and identify where children, or groups of children need additional support or more challenge.

The children in Y4 took part in the national Multiplication Check tests, that are optional this year, but will be compulsory from June 2022. Again, they did really well and the teachers were super impressed!

Also around school this week, nursery children have been finding out about the smells and tastes of different foods from around the world. Reception children visited the canal as part of their topic on water. Year 1 classes have been finding out interesting facts about St Paul's Cathedral to make information booklets, and Year 3 have been recreating their own brilliant interpretations of the painting, 'The Great Wave off Kanagawa'. Year 5 classes have continued their work on trade across the world, and Year 6 have been busy learning lines and rehearsing their end of year show!

Tuesday 22nd June was Windrush Day and Year 4 took part in 'Windrush and beyond' online workshops run by Hackney Museum. They were also treated to a special assembly by Chris who told them about his life and experiences growing up in London. So another very busy week!

Please do let other parents know to read the Mag and keep up to date with news and events. There will be lots of excitement next week as we all get involved in Democracy Week, and search for - and elect our new Prime Minister! Then we have 3 weeks of sports! Unfortunately, we won't be able to invite parents/carers to each Sports Day. The guidance for schools says groups of 30 are allowed but we cannot supervise or organise this safely and effectively and we also need to think about outside perceptions. Thanks for your support and understanding.

Have a good weekend.

Take care, keep well and stay safe.

Jane

Important Dates

Democracy Week

28th June - 2nd July

Non-Uniform Day

Friday 16th July

Last Day of Term

Friday 16th July

First Day of Autumn Term for Pupils

Thursday 2nd September

Attendance

Week beg: 14th June

Our school target:

96.5% Last week: 97.4%

Winning classes:

KS1 Hepworth (100%)

KS2 Berners Lee, Jones & Curie (100%)

Well done!

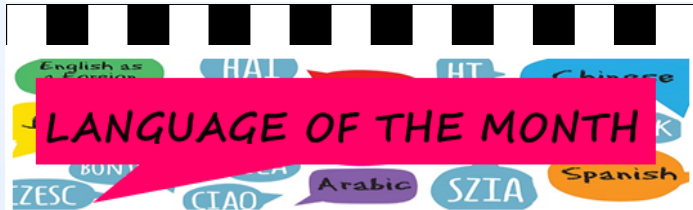

Happy Birthday to the children and staff who celebrated their birthdays this week:

19th June ~ Aisha A, Saadia B, Goktug K & Hidayah M
 20th June ~ Milo C & Sam W
 21st June ~ Olive F, Leo M, Thulaib R, Terri S & Kamilah B
 22nd June ~ Sunaina P
 23rd June ~ Drake W
 24th June ~ Roscoe D & Ayaan H,
 25th June ~ Dawud M

Many Happy Returns to you ALL!

TIME | 5-9PM

In collaboration with the Hanway Photo Collective

Hackney Independent Parent/Carer Forum (HiP)

Who we are: HiP is a not-for-profit group run by parents and carers for families with disabled children, children with SEN or additional needs, aged 0-25. We are the recognised co-production partner of Hackney Council, working directly with Hackney Education and related bodies.

Have your voice heard! We welcome parents/carers as new members and host a safe and supportive space where families can benefit from Whatsapp groups, coffee mornings, open forum meetings and health & wellness sessions. Our membership offers practical help such as legal training and advocacy but also fosters meaningful activities, networking and friendships where families with common experiences can signpost each other and share strategies.

Our objectives: We work directly with education, health and social care professionals and providers, at strategic points in the Local Authority's process. It is our top priority to reflect the actual lived experience of SEN children, young people and families. We aim to promote their wellbeing and achieve better educational support and outcomes.

You can get involved and contribute in a way that fits around your family/situation and matches your skillset.

HiP

E5 Baby & Children Bank are looking for pre-loved bikes & scooters. Buggies and buggy boards are also in high demand. Marika Hegarty is happy to collect from you - contact 07981692525 Thanks!

Macintosh Class

are learning about earthquakes and how they can prevent lots of damage from happening. They made buildings with marshmallows and sticks, then tested their buildings strength by placing the buildings on a plate of jelly, the jelly being the earth's crust. Brilliant!
