¡Felices Vacaciones a medio término!

Firstly, well done to all the children and adults who took part in the Hackney Run on Sunday under the blazing sun! Millfields had by far the largest number of children taking part and there was much excitement on the day; before, during and after the actual running. All of the runners were amazing! A special mention to Louis Reynolds (Y5) who won the event on the day by a good distance – that's 2 years in a row! Well done Louis! Today we are celebrating the end of Hispanic week. We have had great fun learning new words and phrases in class, researching a range of countries that are Spanish-speaking, listening to our parent visitors who have been telling us about their home countries and trying a bit of Spanish cooking. It was great to see so many children and adults dressed up today to reflect lots of areas of Spanish culture. Also, at lunch today, the children had a selection of tapas to try – chicken skewers, patatas bravas, calamari, paella and tortilla. For some, this was a very new tasting experience which lots of the children really enjoyed. Thank you as ever, to Leea and the kitchen team, for their hard work in getting this ready. Thank you also to Belen who organised lots of activities this week and especially for organising some of our Year 6 pupils to take part in a Spanish lesson at Clapton Academy.

Also today, the Reception classes enjoyed a trip to Hayes Hill Farm as part of their topic work on animals. Thankfully, the rain stayed away and the children enjoyed seeing the animals and playing in the hay barn.

As many of you may already know, we are busy planning and organising a special permanent memorial for Alice who we all still remember every day. The flowers next to her photo outside my office remind us all daily that she is still very much a part of the Millfields community and that we remember her and think of her often. Thanks to some of our amazing parent artists, led by Linda Culverwell, we started work on the memorial with each of the 3 classes that Alice taught, Portsmouth, Dundee and Exeter, taking part in an art workshop. The amazing art pieces created that are based on nature and the local area, will form part of the finished memorial. There is going to be a quiet space for reflection in the back playground where children and adults can sit quietly, think and remember. The stones and wall will be decorated with the children's artwork. We are hoping that it will be completed by the date of the Summer Fair so we can have an official unveiling. We will keep you posted!

We have also been getting ready for Democracy Week that is taking place during the week beginning 11th June. We will be learning more about democracy, debating, local, national and international issues and then voting in our new Prime Minister!

Finally, I hope you all have a lovely half term with family and friends.

Let's hope that some of the recent good weather and sunshine returns!

Best Wishes, Jane
