Millfields Musical Magnificence

It has been another busy week at Millfields, especially for all our cycling community! Lots of the Year 5 children have been taking part in Bikeability lessons — learning how to have a road-worthy bike and how to ride safely on the roads. Well done to all the children who successfully completed the course. Yesterday, 36 of the Year 5 children also took part in Bike Around the Borough — an event that takes place every year! Hundreds of Hackney school children take to the roads for a mass ride around the borough, organised by the Council to provide a chance for students to practice the skills they've learned through national standards cycle training and to help them see how easy it is to travel around Hackney by bike. The riders started at Hackney Downs, travelling from there to Clissold Park, before heading on to London Fields, past Hackney Town Hall and back to Hackney Downs. Then today, many of our Cycling Team have taken part in a sponsored cycle ride — they did the last 10 miles of a 50 mile ride and have so far raised an amazing £1,750. Thanks to all the families and friends who have donated. They had beautiful weather today and cycled up the towpath to Ware. They hope to reach their target of £1950 by the end of today in order to raise money for World Bicycle Relief that will provide 20 bikes for children to ride to school in poorer countries across the world. If you can and would like to help, please click on the link: <https://www.justgiving.com/Millfields50miles>. Thank you so much to parents, Paul and Nicky, who organised the whole thing and to all the parents and staff who cycled with them.

Also this week, both the tennis team and cricket teams have been busy competing at a London-wide level. The competition in both Youth Games events was of a very high standard and our children did really well, and were so proud of their achievement in getting to the final in the first place. Well done to them all. Thank you to Izaak and the parents who made this happen!

Also this week, we hosted the Hackney Chess Championships that sees Y5 teams from across 12 schools take part in a very tense and high level chess tournament. Well done to all the Millfields children who took part and received the bronze medal! Thanks to Mehmet and our Chess Tutor, James, for organising everyone on the day!

Reception classes visited the London Aquarium on Monday and I have had so many conversations with the children about what they saw there -sharks, jelly-fish, string-rays, eels and lots of different coloured tropical fish! I have also read some great pieces of writing about their visit! Well done to all the reception children!

On Tuesday, it was the last of the 3 Hackney Music Festivals at the Round Chapel. This week was the turn of the musicians to share their talents with lots of children from across Hackney and to showcase the fantastic Millfields rock and jazz bands! Some great photos of them all as well! Thanks to Roz, Tom and all the musicians who support the children so well to achieve so highly in all the musical events that we take part in.

Next week is Sports Week, and fingers crossed, the weather is going to be fine all week for once! Please remember to wear sports clothes every day so that you can take part in all the activities that have been organised. Please also remember to bring lots of water, wear a hat and bring sun cream! Finally, I hope to see you all at the Summer Fair tomorrow. Best Wishes, Jane

SPORTS DESK

MILLFIELDS CRICKETERS REPRESENT HACKNEY

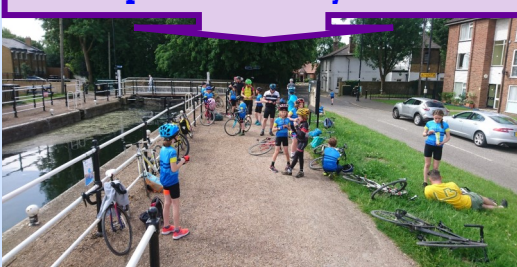

After their triumph in the Borough Kwik Cricket Tournament before half term, the school team qualified to represent Hackney Borough in the London Youth Games Kwik Cricket Best Team Finals on Tuesday. This took place at the Shepherds Cot cricket hub in Crouch End. At this level of competition, the kits of cricket clubs aplenty from around London could be seen, guaranteeing a tough challenge to our players. Our first match was against Goodrich School, representing Southwark. Goodrich gave it a good go throughout, but our bowlers kept enough control for us to win by 16 runs. In the final analysis we came joint 9th out of 30 boroughs, which was a creditable result on a day that we all very much enjoyed. Congratulations to Viggo, Aahil, Bertie, Elvis, Hamza, Jimmy, Sonny, Uma and Willow!

Millfields Bike Around The Borough

50mile Sponsored Charity Bike Ride!!

On Wednesday, we hosted a chess tournament and 11 schools from Hackney Borough participated and year 5 children (4 from each class) represented our school
