Another Marvellous Millfields Week

We had a wonderful day! The weather was very kind and the mood of the whole community was a very happy one as everyone headed out to the local parks for Outdoor Day! There were so many lovely activities planned, and it was lovely to hear about them from all the children. Bond Class became explorers for the morning, Year 4 had a carousel of sporting activities

including rounders and football. There were minibeast hunts, nature art, drawing and sketching, mapping and PE activities to name a few of them. Thank you to all the staff for making the last day of this very busy half term such a lovely experience for the children.

Congratulations and huge well done to the Y5 and Y6 Cycling Team who took part in the first outdoor event since lockdown! All of the children rode so well, and Millfields ended up in position 1,2 and 3 in all the races except one! I am hoping this will give us enough points to stretch our lead at the top of the league table. As always, a massive 'thank you' to parents Paul, Alasdair and Andy for their continued support for the school cycling events.

So, we are now getting ready for the next half term, which is definitely going to be busy again as we have Democracy Week and Sports Fortnight, as well as all the usual learning experience and activities going on! Thank you to the parents who have volunteered to help during Sports Fortnight, so please let us know if there are any more of you who could help with sports activities or sessions around food and nutrition during the weeks beginning 5th -15th July.

This week, Year 6 have been working even harder than usual and completed lots of end of year assessments, and are now getting ready for all the fun activities that are always planned for the Year 6 children before they move on to secondary school. They have started casting for their end of year show, they are also preparing for the residential trip and looking forward to lots of transition activities.

Today we are saying goodbye to our 2 students who have been working in Y2 this term - thank you so much for becoming part of the team, Jamima and Nura, and the best of luck for the future.

Finally, I really hope that you all have a lovely break over half term. I hope that you are able to spend time with family and friends that you may not have seen for a while but please continue to act with some caution. Please remember to keep some distance, wear face masks when asked and wash your hands regularly, but most of all follow the national and/or local guidance to ensure that we are helping to minimise and prevent further spread of the virus.

Take care, keep well and stay safe everyone!

Jane

Important Dates

Half Term

31st May to 4th June

Inset Day

Friday 18th June

Windrush Day

Tuesday 22nd June

Year 5 (now 6) Residential

25th—27th June
