Who Dunit in Maths Week?

There has been much excitement this week as we launched Maths Week with a crime scene and clues to find out who had stolen the silver trophy from the trophy shelf! Each class visited the taped off area to inspect, measure and photograph the handprints and footprints and look for clues that would help solve the mystery. The range of clues left behind, as well as measurements and circumstantial evidence, helped the children to narrow the suspects down to the following staff: Sumon, Izaac, Naomi, Judyann, Kingsley and Sharon. The children also heard from real detectives and police officers who visited the school to talk about their work and how they need to use Maths investigative skills in their every day work. All of the children have now worked out who the culprit was: ... it was Kingsley! Thankfully, he has returned the trophy that he says he only borrowed, because he was sad that Spurs have not won a trophy for years!

Thank you to all the parents who came to

the Maths Workshops this week. They were very well attended and the feedback has been very positive. We understand that it is not always possible for all parents to attend workshops during the day and did try one after school session, so we will think about different possibilities for future sessions. We will be putting the PowerPoints up on the school website and will also send it out via email for parents to have a look at. Thank you to Keli for organizing Maths Week and running the workshops this week.

Year 1 also had visit from the Dinosaur Dome this week. The children enjoyed learning facts about various dinosaurs and hearing stories in an exciting covered dome. Year 2 had a similar workshop in the Space Dome that came to school as well. This experience definitely enhanced their learning about space and certainly helped with their writing in class. Also this week, Turing class visited the Kinsella Trust Foundation and took part in a workshop that highlights knife crime and the consequences. This is a very worthwhile and relevant topic that makes the children think and hopefully aware of the dangers of knives, and keeps them safe.

Dunlop and Lovelace Class also visited Broadgate this week as part of a special art project that they will be involved in over the next few weeks. The project aims to engage primary schools with public art and encourages them to explore, design and make temporary sculptures for the public realm spaces of the Broadgate area surrounding Liverpool Street Station. The children will be involved in designing and making a range of art pieces for the exhibition. Thank you to Judyann for arranging this.

Finally, thank you to all the parents and staff who brought cakes in to support the Macmillan coffee morning today –we have raised more than £120!

Hope the lovely weather lasts for the weekend and you enjoy the sunshine.

Best Wishes, Jane

Important Dates

No Pens Day

Wednesday 3rd October

National Poetry Day

Thursday 4th October

School Photos

Friday 5th October

Half Term

22nd–26th October

Inset Days

29th & 30th October

Attendance

Week beg: 17th Sept

Our school target: 96.5%

Last week: 96%

Winning classes:

KS1 Tarrant (99%)

Opens Millfields

New Nursery Playground

Millfields Community School Parent Staff association has raised nearly £20,000 to rebuild and update their tired inner city Nursery playground.

The space now contains a natural sand area, a new slide and climbing area and creates room for children to play freely. It also provides growing and digging areas to encourage children to grow their own vegetables.

Please join us to celebrate the hard work of all of our fundraisers and the new healthy learning opportunities our playground promotes.

Wednesday 3rd October 2018, 9am
