Sports Mad at Millfields

Firstly, a 'huge thank you' to all the parents and staff who made a contribution to our collection for MIND as part of our sponsored walk to remember Alice. We are still collecting sponsor money and other donations, so if you would still like to make a contribution, please hand in to the main office. We will hopefully have a total next week!

I don't think there is anyone in our community that doesn't know it is 'Sports and Healthy Living Week', as we have started each morning with a very loud and very energetic aerobic workout! The children, staff and lots of parents have joined in and had great fun while keeping fit! Thank you to Kimberlie and Anis for leading these sessions for us. Over the week, each class has had a chance to try different sports and activities including tennis, martial arts, dodgeball, volleyball, football and handball. Also, classes have been looking at healthy food, including sugar content in lots of the things we like to eat every day and we have also been making healthy snacks and breakfasts.

Thank you to all the parents and carers and the staff who have supported each age-phase Sports Day. For once, we have been blessed with lovely weather and each day has worked well and we have celebrated lots of excellent effort and achievement, but most importantly, lots of fun! Thank you especially to Sharon and Dwayne who have been organising the day to make sure they all ran smoothly.

Today, all of KS2 have been taking part in Unicef Soccer Aid challenges. They have had great fun designing courses and taking part for a great cause. £1 donations for taking part are being collected all day and after school. Thanks to Reegan for running these sessions all day!

And the biggest 'thank you' for this week has to go to Matthew who has worked for weeks behind the scenes getting all of the activities and planning for the week sorted! It has been a brilliant success!

Yesterday was the annual 'Bike around the Borough' event that sees hundreds of Hackney school children and their teachers cycling the length and breadth of the borough. The children ended up at Hackney Downs to celebrate the event. Well done to all those involved from Millfields!

Also this week, Millfields hosted the Hackney inter-school Chess Tournament organised by 'Chess in Schools'. The children in Year 5 all have weekly chess sessions to learn how to play chess over the course of the year and yesterday was a celebration of all that they have learnt. The 70 children from across Hackney took part in some very close and exciting matches, and the final scores were very close, only 4 points between the top 3 teams! Well done to Rushmore School who won, but an amazing effort from the Millfields team to come 3rd and receive a special chess medal! A special mention to Jimme Brotherhood, who was the highest scorer for Millfields. Thank you to Mehmet for organising the day and making it run so smoothly.

A final reminder that it is the Summer Fair tomorrow – Saturday 30th June! We have guaranteed good weather this year and the theme is sustainability and eco-awareness. There will be lots to eat and drink, things to buy and lots of fun games and activities, so please do come along! I look forward to seeing you there.

Best Wishes, Jane

'Come Dine with Us'

This term, we are offering parents with children in Reception, Year 1, Year 2, Year 3, Year 4 and Year 5, the opportunity to have lunch with their child.

Parents in Year 2 are invited to a year group picnic.
(School Packed lunches available on request!)

Lunch will start at 11.45am and you will be able to sit with your child and their friends in the Dining Hall, to take part in the daily routine, experience the atmosphere and taste the lovely food that your children are offered every day.

Please sign up and make a payment at the main office if you would like to join us on the day.

Glass Guardians

Competition

In school you've been learning about glass packaging – how it's made and how it's recycled.

Your challenge

We're challenging you to come up with an ingenious way to get people to recycle more glass! You can be as creative as you like – plan a community event, design an eye-catching campaign poster, create an informative app, draw a cartoon strip... the choice is yours!

The prize

By entering this exciting competition, you could be in with a chance of winning an Amazon Fire 7 tablet for yourself and £500 worth of equipment vouchers for your school.

All you need to do is:

- draw or describe your idea in the space provided
- make sure your name and school details have been filled out correctly
- send your entry to us using the details overleaf by Friday 13th July.

How can your parents help?

Ask them to find out how glass packaging is recycled in your area – do you have to take it to a glass bank or does the local authority collect it from your house? How might this influence your idea?

Be a Glass Guardian!

Cut out these top tips for recycling glass and stick them up at home.
