HOW EGGCITING WAS THIS?

I cannot believe that it is the end of term already! We have had so much fun and learnt so much this term, and taken part in many exciting trips, performances and enrichment activities. The feedback from children and parents has been very positive. I often have to thank all the staff for their amazing enthusiasm, effort and dedication, as alongside the normal routines of national curriculum, teaching staff are always tremendously busy with the 'extras' that make Millfields such a great place to learn. I always enjoy talking to all the children as they excitedly and enthusiastically talk about all the trips, theme weeks, enrichment activities and fun learning that takes place every day! The smiles on their faces and the children's enthusiasm is what makes it all worthwhile!

There was great excitement on Wednesday morning as when Grant arrived at school around 6:30am to open up the school, he found lots of leaves, branches, footprints and... 2 giant eggs in a nest in the playground! Last week we were sent a news alert video from Mr Davey from NOUO (National Office of Unidentified Objects) that asked us to keep our eyes open for any strange activity –sighting or noises in the Clapton area. So on Wednesday, we were shocked to find giant eggs in the playground and signs of activity by a large animal! The children spent the whole day writing about the incident – notes, stories news reports, interviews. The eggs have now been removed and, along with soil samples, have been taken to the government laboratories. Please make sure you keep a look out for any further sightings and we will keep you updated with any other news!

This week all the children enjoyed a trip out as part of London Day 2. The sun was shining which made the day even better! Nursery children enjoyed a story-telling session at Hackney Central Library; Reception classes had a fantastic day out at the London Canal Museum; Year 1 classes visited 'The Crystal' at Docklands, Nottingham and Leeds classes enjoyed a trip to the William Morris Art Gallery in Walthamstow, and Derby Class had fun on the HMS Belfast. Year 3 classes had a fascinating trip to the Bank of England Museum, Year 4 travelled the furthest and enjoyed learning at the RAF Museum in Hendon. Year 5 classes visited the Horniman Museum in South London and Year 6 spent the day on the Southbank and visited the Tate Modern. The children have all been asked to write a postcard to me about their trip. Some wrote them in school and some are taking them home to write at home as a learning activity. If you are looking for something to do over the holiday, why not try one of these museums or art galleries!

Also this week, more than 100 children from Years 1-6 took part in our cross culture, cross faith performance of 'Faith, Folk and Festival'. The production included songs, music and readings from all the major faiths, and also included the fact that some of us have no faith. The message conveyed to our school community was about respect for all faiths and none, and the celebration of the rights of everyone to follow their chosen belief. Well done to all the children involved and to the staff who helped support the event. A special thank you to Roz, Tom, Jon, Simeon, Maria, Faith and Lawrence for their continued support for music at Millfields, and thank you to Clapton Academy for the use of their hall.

Today, we are also saying good-bye to one of our teachers. Thank you Sevilay for your hard work and dedication to the pupils of Millfields. We wish you lots of luck for the future.

Finally, I hope you all have a good break with family and friends. Take care and stay safe.

Best Wishes, Jane
