ANOTHER AMAZING WEEK !

If you were able to come to the amazing event on Tuesday night, you will know that it was something quite wonderful and very special. The children and staff put on an amazing immersive theatre and art experience for the whole school community. Huge thanks to our very talented art lead, Rebecca who had the idea and sketched it out for us at the beginning of the year and, with the help of every child in the school, created an experience to be remembered. Thank you also to the children who were ushers on the night –they all stepped up to the role and were very impressive guides. Another thank you to Roz and Tom and members of the choir who sang sea shanties all evening to add to the atmosphere of being under the sea! Also, thank you to the children who read poetry as we wandered through the British meadow. Thank you also to all the teachers who supported the event and helped make the whole evening a huge success. Finally a special thank you to Darren and Grant who helped to put the whole set together... and take it down again! We have entered the Saatchi Art for Schools Competition again, so fingers crossed and watch this space!

The children not only contributed in creating a part of the overall installation, but also learnt lots about endangered species and environments. The homework and projects that some of the children produced were brilliant and shows the enthusiasm and interest that the children at Millfields have in preserving the planet! Thank you for your contributions to Greenpeace – we will be sending that off next week, so if there are any further donations, please hand them in to the main office.

As part of our work on saving the environment, each class has an elected 'Eco Champion', and yesterday they visited Greenpeace to share the work that we have been doing and to find out more about the work that Greenpeace do.

On Tuesday 7th February it is 'National 'Internet Safety Day' and we will be marking this date by reinforcing all the work we already do around internet safety and cyber-bullying, with the children. We are also holding a workshop for parents on Wednesday 8th February at 9.05am and 3:40pm. If you would like to attend either of these workshops, you can return the letter that went out last week, or sign up at the main office. It is also the turn of Year 6 to host 'Come Dine With Us' on Tuesday 7th.. If you have a child in Year 6 and would like to have lunch with them, again, please sign up at the main office.

Also, next week is, unbelievably, the last week before half term and Friday will be a non-uniform day as usual. Look out for the poster with more details at the beginning of next week. Finally, good luck to the cycling team who are competing at the QEOP Velodrome. later today. Have a good weekend. Best Wishes, Jane

Important Dates

Come Dine with Us—Year 6

Tuesday 7th February

Internet Safety Day

Tuesday 7th February

Non Uniform Day

Friday 10th February

Half Term

13th—17th February

School Reopens

Monday 20th February

Attendance

Week beg: 23rd Jan

Our school target: 96.5%

Last week: 94.2%

EcoRangers After School Club needs you!

EcoRangers: Kids to the Rescue club will run after school on a Monday and will empower Year 1 & 2 children to take steps to change their environment, influence their peers and hold the school to task over the health of our ecology. By ecology we mean how the small things influence the big picture - our school culture, activism, waste, resourcefulness, environmental creativity and the health of our community and the marshes and canals that surround us.

From November 7th 2016 until February 26th 2017, GALAXY Hot Chocolate Fund are seeking to award a total of seventy, £300 donations to help community groups and people across the UK and Ireland. Please vote for Millfields Community School Eco Rangers After School Club here at:

<https://www.galaxyhotchocolate.com/fund/profiles/millfields-community-school-s-ecorangers-after-school-club/>
