## MARVELLOUS MILLFIELDS!

It certainly doesn't feel like it has been a short week as there has, as usual, been so much going on at Millfields!

On Sunday 30th April, more than 220 Millfields pupils from Reception to Year 6, and lots of parents and carers took part in the Hackney Schools Run. It was a perfect day for running and Millfields certainly made the most of it. A huge 'well done' to all the children who took part and having completed the previous 12 miles before school, in the weeks building up to the event before Sunday, they ran the last mile with great excitement and enthusiasm. An amazing effort saw Louis Reynolds in Year 4 finish in first place, way ahead of the rest of the fields in under 6 minutes, followed by second place, Solomon Rigg from Y5 and fourth place went to Robin Steer from Year 6 Bristol Class. A brilliant result for the individual boys and for Millfields! Well done! Thank you also to Ifeoma, Jackie and Margaret who organised the Millfields group on the day and made sure it all ran smoothly.

The Leadership Team have also been meeting with all the teachers in each year group this week to look at pupil progress. We talk about the children's work in class, look at their books and also discuss the latest in school test results. As result of this, we then ensure that appropriate provision, support and challenge is in place for all the children as needed. Today, Year 4 children went on their WOW trip to the British Museum to reinforce and enrich their topic work on Ancient Greece. They report that they enjoyed the trip and they all behaved well and were true ambassadors for our school. Also this week, lots of staff and parents came along to support the local and national campaign to stop the education cuts that was held at B6 college on Wednesday night. There is a lot of community interest in making sure that Millfields community voice is heard. For any parent who is interested, a core group of staff and parents are meeting on Monday 8th May at 4pm in school to put together a plan of action. There is also a demonstration against the cuts outside Hackney Town Hall on Tuesday 9th May and again there is a group of parents intending to gather at the school gates and head down there, so please join them if you can. On Thursday 18th May, from 5pm, there will be a march and demonstration outside Parliament. We need you all to help fight these cuts!

Next week, the KS2 SATS start so I would like to wish all of the Year 6 children the very best of luck. They have been working so very hard over the last few months in particular, so just try your best and we will all be very proud of you whatever the outcome. Parents, please make sure they have a peaceful weekend, that they get lots of good food and sleep and most of all please reinforce that they should not be worried. Finally, I hope you all have a good weekend. Best Wishes, Jane

The paper application form will, however, continue to be available for those parents who do not have an email address or unable to visit Hackney Learning Trust's 2nd floor reception.
