Millfields Loves to Read!

We had an amazing time yesterday celebrating World Book Day! The theme this year was around dressing up as characters who have inspired us, made us laugh... or cry, made us think and most of all made us LOVE reading! As ever, the Millfields' children (and parents of course!) made a massive effort as we also asked you to think about sustainability and recycling, and you did yourselves proud! The costumes were amazing - thank you to all the staff, parents and pupils for really entering into the spirit and making the day so enjoyable. Although it was very hard to choose, we awarded a certificate to one child in each class in Celebration assemblies. Lots of classes also visited Pages Bookshop to spend their £1 book voucher and Reception classes also visited Homerton Library. Thanks to Sheyenne for organising us all!

Thank you also to all the Year 3 parents who came to eat lunch with their children yesterday. Although the children were very noisy as they were excited by the day's activities, and the fact it was raining and therefore wet play all day, the atmosphere and feedback was very good as always!

Also this week, members of SLT have been observing Science lessons across the school, and we have seen some great learning. The engagement and enjoyment in Science lessons is very clear to see, and some of the children know some amazing facts and figures that they share with their class friends. On that note, next week is iDiscover week. All year groups will spend the week learning about STEM subjects. We will be having visits from a range of people who work in STEM based careers and some year groups will make visits to workplaces to find out about the different jobs that might inspire them. Please be informed that updates regarding the DfE (Department for Education) and NHS England advice to schools regarding Coronavirus can now be found on the school website - there is a link in the top right hand corner. We are following all advice and will of course keep you fully informed of all changes as and when we hear. Also, just to reassure you that we are putting additional cleaning measures in place, with door handles being cleaned at least 3 times during the school day and once in the evening, as well as ensuring that all soap dispensers are full at all times. In assemblies this week, the children watched a 'hand-washing' video and had a live demonstration about how to wash their hands thoroughly - please reinforce this practice at home. I have also sent a text today to ask all children to bring in their own drinking/water bottle, as well as bringing in a packet or box of tissues in to school if your child has symptoms of a cold. Finally, next Friday is Sport Relief, so we will all be wearing red and/or wearing our favourite sports clothes. We will be taking part in a Sport Relief mile during the day as well. Please don't forget to donate £1 to this amazing charity.

Have a good weekend. Best Wishes, Jane

iDiscover Week

9th -13th March

Sport Relief

Friday 13th March

Parents Evening

Wednesday 25th March

London Day

Thursday 2nd April

Autism Awareness Day

Thursday 2nd April

End of Term

Friday 3rd April

School closes at 1:00pm

Attendance

Week beg: 24th Feb

Our school target: 96.5%

Last week: 96.3%

Winning classes:

KS1 Brown (98%)

KS2 Hawking (99%)

Well done!

Tuck Shop

Thank you to Dunlop class for organising the last week's tuck shop. Amount raised was a super **£62.90**

Thank you for all of your support!!
