Millfields in Party Mode

We have a lovely few days during this short week with lots of learning about the longest reigning monarch - Queen Elizabeth II. Although the jubilee is officially on Friday 3rd June, as we had the long bank holiday weekend, and so not to miss too much continuous learning, we decided to celebrate today! What a great time we have had this week - lots of reading, writing, art and craft

activities, as well as learning about the Queen's life. We looked at her life and the work that she and her family do in the UK and across the world.

Then today, the whole school celebrated with a jubilee picnic in the playground. The sun was shining and the children and staff had a fantastic time together - the children had a special boxed picnic with cupcakes and lots of yummy treats, as well as watching some circus tricks and skills, and we also listened to our amazing choir and musicians who will actually be taking part in the Jubilee Concert in front of the Queen in June. Thanks to Roz, Tom, Lawrence and Celia for organising. All of the children had a lovely time. A huge 'thank you' to all the staff who really got into the community spirit of the day, especially all of the kitchen staff and the TLAs who helped get the food ready, and to Darren who set up and Juan who tidied up at the end of the day. A very special mention to Charlotte (Taviarna's mum in Y3) who gave up her time to come and help today - much appreciated! What a great community Millfields is!

*The children will all receive a special commemorative coin on Monday as a memento of the event.

Next week is SATS Week for the Y6 children. We are inviting all of Year 6 to come to Breakfast Club free of charge every morning during the SATS week. We have found in the past that starting the day together with a good breakfast really helps to settle the children ready for their exams, so even if they normally have a great breakfast at home we would encourage you to send your children in to school Breakfast Club during that week so they can start their day with their friends.

I am extremely proud of the hard work and effort made by all the children this year, especially after the last 2 years of school disruption, and most recently in the last few weeks in the run up to the tests. I always reassure the children, by saying that we expect them to do their best, and as long as they have tried hard and know they have done their very best, then we will be proud of them no matter what the result. Please reinforce this with your child at home.

Finally, please look out for several emails that have been sent home today regarding the Community Mural, feedback from the Millfields=Equality meeting, and information on a Y4 sleepover during 'Families Week'.

I hope you have a good weekend and the sun continues to shine! Take care, keep well and stay safe. Jane

MILLFIELDS & ME

Please send your child in with their object for the Millfields & Me Mural as soon as possible. They will need to give it to their class teacher by the end of next week. The children will be taking part in Mural workshops during Families Week where they will be cementing their object onto the mural so if they don't have one they won't be able to stick it on the mural.

The idea is to create a mural that represents all of our community school, celebrating all that is us! The object mustn't be bigger than a small butter pot, it could be anything and they can bring more than one. They can not be made of glass, card, paper or material.

It could be a green bottle top if your favourite colour is green, a felt tip pen if you love drawing, a shell from a holiday, a plastic toy of your favourite animal, a pencil sharpener with your team's logo on it. It can be broken or part of something and still be a reminder of who you are. It will be there hopefully forever so you can come back and see it one day!

PERFORM ON STAGE THIS SUMMER

WITH THE
HELEN O'GRADY
DRAMA ACADEMY

CONFIDENCE • COMMUNICATION • CREATIVITY

One of the greatest life skills we can give our children is the ability to communicate confidently.

At the Helen O'Grady Drama Academy, children can learn to do this whilst having an enormous amount of fun. If you want to provide your child with the best possible start in life we can help!

Our classes help our students to:

- Build **confidence** and **self esteem**
- Improve **speech** and **language** skills
- Develop **social interaction** skills
- Improve **listening** and **team work** skills
- Increase **creativity**
- Improve **lateral thinking** skills

A visit from Perform

We were very pleased to receive a visit from [Perform](#) a few weeks ago. The children had a wonderfully energetic time exploring the theme of [Superheroes](#) and using drama, dance and singing to help develop their confidence, concentration and social skills.

Perform run regular weekly classes in the local area and they are offering a special introductory discount to all parents of Millfields Community School if they come along for a free trial session before Thursday 12th May - i.e. just over one week's time.

To claim your discount, just call Perform on 020 7255 9120 quoting **MILU120522** or visit perform.org.uk to find out more.
