## Getting prepared

Firstly, a massive thank you to all the parents/carers and wider community for all their support and challenge over the past week, and in fact over the whole year. Last Saturday was the Summer Fair, and as ever the whole community turned out on a lovely sunny day to enjoy the food, fun and games, while also making money for the PSA to support the school –your children. A huge ‘thank you’ to Ann Marie and Paula –Co Chairs of the PSA and all the PSA committee members who helped make the day a resounding success –probably the most successful to date, in terms of money raised. The final figure has not been confirmed but we think that the total profit made will be around £5,500. Well done to everyone, and especially Ann-Marie who was here, there and everywhere on the day making sure it all ran smoothly!

Secondly, thank you to all the parents and carers who came to Parents’ Evening on Wednesday. The majority of the feedback on the children’s Annual Reports has been very positive and the praise and thanks to each of the children’s class teachers is much appreciated and well-deserved. If you have not yet completed the report feedback sheet or completed one of the questionnaires on the evening –general, PE or E-safety, then please collect a copy from the main office. We would be happy to have your feedback on all things before the holidays so that we can work towards even better parental support and engagement in the new academic year. Look out for fortnightly workshops and coffee mornings! We also hope that you enjoyed the opportunity to sample some of our delicious school meals. Thank you to Leea and her team for all their hard work over the year in providing our amazing dinners.

Today, your child/ren met their new teachers, and enjoyed the morning getting to know their teacher, exploring their new classroom, writing about their aspirations that will form part of our whole school ‘Aspirations Tree’ in September. Also, each class did some shared writing – they have written a class letter to the local council of their class city name, and are hoping to get some goodies and maybe make a visit there or have visitor from the city in class next year! The children were also set a homework task linked to their new class city name –write one interesting fact about the city, draw a picture of a famous building or something remarkable in the city. Please help your child to complete this task!

This week we have also taken part in both the Infant and Junior Hackney Singing Festivals that were held at the Round Chapel. This annual event is always a lovely show, and the children from Millfields always make us very proud! This year was no exception - Nottingham Class, the KS1 Choir and KS2 Choir were all great ambassadors. The Rock Band Club also took part in a ‘Rock Festival’ at the Portico last night and wowed the audience with their musical talent and professionalism! Well done to all the talented musical children, and to Roz and the music tutors –Phil, Tom, Lawrence and Rose for all their hard work this year.

Finally, we are looking forward to the Year 6 end of year party tonight –a masked ball with lots of dancing, fun and games! And next week, the Year 6 performance of ‘Bugsy Malone’ is on Wednesday 15th July at 7pm. Tickets are £1 on the door. I hope you have a good weekend. Best Wishes, Jane
