An early start to sports and Healthy living week

We have been busy preparing for Sports and Healthy Living Week which takes place from Monday 22nd to Friday 26th June. Details of Sports Days have already been circulated but if you need more details of timings, please see the main office for the letter that went out to you child's class. As part of sports week, there is a nationwide health initiative called home Sports Challenge based on healthy living and healthy choices. The Sports Challenge will be introduced at school, but will need to be completed at home. There are 12 challenges altogether and includes activities like, turning off your phone, computer and games stations for 2 hours, eating 5 different fruit and vegetables each day, and read a bedtime story with a family member. Please talk to your children about the challenges and support them in trying to meet them all! There is a £1 donation towards the promotion of sports and healthy living at Millfields and the opportunity to progress to the next stage of the national challenge. See the main office if you have lost or misplaced the form. As part of Sports week, all children and staff are encouraged to wear sports clothes and shoes all next week. We will be starting each morning with the now, traditional whole school aerobics in the playground, and we are hoping to see some of you at the parents and carers before school exercise too!

Please make sure that you put sunblock on your child in the morning, especially if they are out at sports activities, and make sure you encourage them, as we do at school, to drink lots of water. Please do not allow your child to come to school in flip-flops or open toe sandals as this can be dangerous –trainers should be worn all week. Sunhats should be worn too. We have Millfields hats on sale for £5 each from the main office.

Also this week, our Year 5 children have been busy taking part in lots of extra-curricular activities. 16 of our pupils took part in the Hackney, 'Bike around the borough' yesterday. There were lots of Hackney schools taking part and the children cycled from park to park around the borough. Thanks to Celeste for organising, and for parents who helped on the day.

Year 5 children –Raphael, Taylor, Abigail, Freya, Martha and have been representing the school in the Mayor of London's 'London Knowledge Quiz 2015'. this involved the children making sure they knew lots of weird and wonderful facts about London –mainly as part of the History and Geography curriculum, and completing timed online tests with lots of other schools from across London. Some of the questions were very difficult, and I am not sure how some of them knew the answers, but the fantastic news is that we are through to the final! The final will be a live event that takes place at the Museum of London. The organisers sent a message to say 'your team have done phenomenally well and should be incredibly proud of themselves.' I couldn't agree more and am looking forward to the final! Well done!

Also, the Arsenal Double Club children visited the Emirates Stadium yesterday as their end of year treat. The school and children were congratulated on the children's behaviour and their teamwork when playing. Well done everyone! Thank you Sharon and Dwayne for organising. Finally, 'Happy Father's Day' to all our dads out there. I hope you have a good weekend.

Reporting absences

Thank you to everyone for remembering to notify us of your child's absence as soon as possible. It is important that when making a call you tell us as completely as possible what is ailing your child. Many illnesses are reportable to Public Health England due to their tendency to spread and they are responsible for tracking cases of infection. Many illnesses also have specific requirements regarding the length of time your child should be absent. Many thanks.

Uniform

At Millfields we expect our children to wear uniform every day. In this last week we have noticed a few children wearing clothing which is not uniform and is not appropriate for meeting the needs of the child during the day. We also request that children not wear open toed shoes or flip flops etc as these do not offer enough foot protection when playing.

Any children not wearing uniform will receive a letter from their teacher requesting that they do so. Thank you.

Website of the Week

Kids week has now launched. This is a scheme where for every full paying adult a child is free for entry to a wide range of theatre productions.

Good seats are available for shows from the Gruffalo to the Lion King to Stomp! In addition children can participate in workshops and activities before and after the production.

Nursery visited Ridley Road market and had a great time investigating all the different types of food available to buy.

PSA After-school Tuck Shops Summer 2015

Continuing our weekly tuck shops, we will need people to volunteer time to run the stall on the day and will need lots of donations of food on the day. Just take your food to the office on the day of your stall.

Date	Class
Friday 26th June	Cardiff
Friday 3rd July	York
Friday 10th July	Canterbury
17th July, no tuck shop last day of term	

Weekly Playground Development News:

A reminder of our competition to get as many votes as possible for our playground development from one family. We only have limited time left and it would make a fantastic boost to our funding.

How to vote:

1. Go to <http://tinyurl.com/Vote4Millfields>
2. Register voter details (email or facebook needed)
3. Vote! (before 30 June)

Remember the class with the most voters receives an end of term treat. Good luck and get voting.
