

Freedom of Information Policy

Introduction: what a publication scheme is and why it has been developed

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- The classes of information which we publish or intend to publish
- The manner in which the information will be published
- Whether the information is available free of charge or on payment.

The scheme covers information already published and information which is to be published in the future. Most information in our publication scheme is available for you on our website to download and print off.

Some information which we hold may not be made public, for example personal information. This publication scheme conforms to the model scheme for schools approved by the Information Commissioner

Aims and objectives

We aim to

- Enable every child to fulfil their learning potential, with education that meets the needs of each child
- Help every child develop the skills, knowledge and personal qualities needed for life and work

This publication scheme is a means of showing how we are pursuing these aims

Categories of information published

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as 'classes'. These are contained in section 6 of this scheme.

We aim to provide most information via our school website so that it is freely accessible. The classes of information that we undertake to make available are organised into four broad topic areas:

- School Prospectus - information published in the school prospectus
- Governors' Documents - information published in the School Profile and in other governing body documents
- Pupils & Curriculum - information about policies that relate to pupils and the school curriculum
- School Policies and other information related to the school - information about policies that relate to the school in general.

How to request information

If you require a paper version of any of the documents within the scheme, please contact the school by telephone, email, fax or letter.

If the information you're looking for isn't available via the scheme and isn't on our website, you can still contact the school to ask if we have it.

Paying for information

Information published on our website is free, although you may incur costs from your internet service provider. If you don't have the internet, you can access our website using a local library or an Internet café.

Single copies of information covered by this publication are provided free unless stated otherwise in section 6. If your request means that we have to do a lot of photocopying or printing, or pay a large postage charge, or is for a priced item such as some printed publications or videos, we will let you know the cost before fulfilling your request.

Classes of information currently published

School Admissions Prospectus

The prospectus is published during the school year immediately preceding the admissions school year. The prospectus will be published at least six weeks before the final date by which parents are asked to apply for admission or to express a preference. This process is currently undertaken by Hackney Learning Trust.

The School Profile

The school has various documents related to its profile comprised of 'narrative' sections which the school will complete, and 'pre-populated' sections of statistical information inserted into the document by the DfE as well as copies of Governors minutes and related documents.

- **Feedback and complaints**

We welcome any comments or suggestions you may have about the scheme. If you want to make any comments or if you require further assistance or wish to make a complaint then initially this should be addressed to the headteacher at (name and address of your school).

If you are not satisfied with the assistance that you get or if we have not been able to resolve your complaint via the schools complaints policy and you feel that a formal complaint needs to be made then this should be addressed to the Information Commissioner's Office. This is the organisation that ensures compliance with the Freedom of Information Act 2000 and that deals with formal complaints.
