

Dear Parents and Carers,

Did you know ... just registering your child for Free School Meals means that the school gets extra money?

Register now to make sure we don't miss out

The Government is giving money to schools to help children from lower income families do their very best. This funding is called a 'Pupil Premium'.

For every child registered Millfields Community School gets £600 per child per year.

With this money we could we could contribute to additional staff, pay for extra resources, cover the cost of trips and help with After-school club costs. If you are registered for Free School Meals you could also get reduced fees at Breakfast Club and After-school Clubs, and help provide access to external services such as art therapy and counselling.

Please register now to make sure your child and others, don't miss out.

How does it work?

1. First, check if you qualify – it is not just if you are unemployed, so please look at the list on the next page.
2. Registering is really quick and easy – if you think you qualify, contact the school office and ask for Heidi Caccioppoli who will help you to register.
3. If you want your child to have a free, healthy meal at lunchtime that's great – they will get the free meal (saving you more than £350 a year), extra benefits and the school gets £600 extra.
4. If you don't want your child to have the school meals they can continue as normal – as long as you qualify and are registered, the school still gets £600 extra.

No one will know you have registered and it will not affect any other benefits you are claiming.

Please talk to us about registering your child today.
