

What do EYFS  
children think  
about  
their book  
corners?

A blue speech bubble with a white question inside. The bubble has a dark blue outline and a tail pointing towards the bottom-left corner. The text is centered within the bubble.

What do you think of your  
book corner, what do you  
like doing in it and what  
would you change?

# Nursery – North London

I like reading stories – that's my favourite. Katija reads it to me – it's about a monster that scares and scares you. I want more small books.

Ja'kayla

# Nursery – South London

I like reading books – Willie the Hero and Max the Superhero. Sometimes I just look at the pictures and sometimes if I like the look of it I let an adult know to read to me. I would put more teddies and pillows in here.

Rohan

# Reception - Belfast

I like reading lots of little books like these. I would make it look more pretty by putting decorations.

Zhane

# Reception - Cardiff

I like reading in here and putting the books back when I've finished. I want a chair in here so I can sit on it and read sometimes.

Archie

# Reception - Edinburgh

I like sitting on the bench or rocking chair and reading the stories. I like the ones with really colourful pictures and sometimes I can try and read words if I know them. I want it to be bigger so all my friends can fit in here and we could look at stories together.
