

How are skills developed in Art at  
Millfields?

Pupil Voice

# Year 1

Johnny

We used straight lines, dots and curvy lines to make marks and draw...

We made dots with paint using our fingers...

Hayden

# Year 2

Jonas

We did black lines around apples – called cloisonism.

We learnt about different shades of colours: green, light greens, reds and yellows to paint apples.

Annie

# Year 3

**Jimmy**

**We used Benday dots like Roy Lichtenstein;  
he took the idea from comics...**

**We did Pop Art, which stands for  
popular art, it came from New York .**

**Neve**

# Year 4

Dior

I learnt about horizon lines, foreground, middle-ground and background. It taught me to get into art.

We learnt that proportion is what makes things look realistic.

# Year 6

Reuben

We learnt to do ellipses to create more realistic drawings of cylindrical shapes .

Chiaroscuro helps to add more depth to your drawing.

Anoushka

What Artists and aspects of Art History have you learnt at Millfields?

Pupil Voice

# Year 4

Solly

I have learnt that you can merge Art and Music – like Kandinsky.

# Year 5

Semsha

**BLAST – is a Vorticist magazine.**

**I learnt that Vorticism, is about straight lines and alarming people. All of my drawings I do at home are now Vorticist.**

Peter

# Year 6

Reuben

We learnt about MC Esher and his optical illusions.

Do you feel creative at Millfields?

Pupil Voice

# Year 1

Johnny

I'm really creative- I draw the sun, sky,  
grass, mud and trees at break.

# Year 2

Annie

Last year in Creative Week we made houses and the London Sky line and we shone a light on it and made a shadow sculpture.

# Year 3

Jimmy

I feel creative when I do Art and see the sky wall.

Year 4

Dior

I feel creative every Tuesday when I do Art.

# Year 6

Reuben

We get the chance to paint on large canvasses

Anoushka

We get to do special art activities- we get to use special resources and things.
